BISHOP SOLLARD VISITS WEBB-
WOOD

Webbwood Journal, June 13
The pastoral visit of His Lordship Bishop Sollard to Webbwood, last Sunday, was an event in the annals of the Catholic Church of this town that will linger long in the memory of the people.

In the afternoon the children assembled in the church awaiting his Lordship who upon his arrival examined the little ones upon the great truths of their religion. With the tenderness of a fond parent His Lordship impressed upon their youthful minds the importance of the great sacrament of confirmation which would make them soldiers of the Cross.

In the evening before administering the sacrament to the candidates, numbering about fifty, His Lordship addressed them in deep and touching words which will remain in the hearts of many as long as life lasts. The discourse was based on the text "Seek ye first the kingdom of God," including a brief explanation of the gifts of the Holy Ghost. To the congregation in general he also in eloquent terms admonished them to edify their little ones by good example. At the conclusion of the ceremony those confirmed repeated after the Bishop the solemn pledge to abstain from intoxicating liquors until they had attained their twenty-first year. His Lordship sincerely hoped when that time came they would remain in the ranks of those who do not use alcoholic beverages. They also promised to say their morning and night prayers daily and approach the communion table at least once a month. Then followed the Episcopal Blessing.

Just before the Benediction of the Blessed Sacrament His Lordship took occasion to congratulate the pastor and people upon the heroic efforts in clearing their church and its beautiful decorations of human claim; now it was truly the house of God. He spoke in glowing terms of the faithful and enthusiastic work being carried on by the pastor, the Rev. Father Brennan, and complimented him upon the thorough training which the confirmation class has received.

Mrs. Quinlan and Mr. John D. Malloy acted as sponsors for the candidates. The work of St. Anthony's Church has not been standing still. A year ago more than \$1,400 debt rested on the edifice, while to-day they are not only free from all claims, but recently have been able to add several pieces of fine statuary. Indeed, the Rev. Father Brennan deserves much credit for having led his faithful into a period of prosperity, and we venture to say that it is now one of the finest churches on the North Shore. May this advancement be not only temporal, but spiritual, so that pastor and people may obtain their eternal reward.

DIABETES

Is one of the most cruel maladies of which mankind is subject, the many complications arising from time to time making life seem almost unbearable. For many diseases, medical, scientific and physiological knowledge and experience, gained from years of deep research, has achieved remarkable results, but, up to now, little has been discovered of practical value in the treatment and cure of Diabetes. In fact, people have begun to look upon the disease as well-nigh incurable. Even in the medical profession can be found doctors who are of the same opinion regarding sceptically any claim to ameliorate or cure the condition of a diabetic patient. It can however, be proved that "Sano's Anti-Diabetics," the new German Discovery, does lastingly cure all cases of Diabetes.

that morning after leaving her, of all he had observed and the deep impression it had left on him. You can imagine better than I can describe the overwhelming joy of her heart on hearing all this, her husband's conversion, being the daily prayer. She smiled and said, "my dear, that is only a shadow of our holy religion, its comforts and consolations to know which is to love it."

Later in the evening, as the lady in question donned her bonnet to attend the evening mission service, her husband said, "my dear, would you allow me to accompany you this evening? I want to see more of your grand religion." Needless to say they went together that evening to divine service and ever afterwards. DIANA.

THE CONVERSION OF AMERICA

The Missionary
In England they are praying constantly for the conversion of England to the true Faith. These prayers for this specific purpose have become a part of the devotional life of the people. On a special Sunday in the month, by order of the hierarchy, a Litany is recited after Benediction, during the entire Catholic people are co-operating in the Mission work by their prayers. Recently a solemn novena for the conversion of England was finished in the chapel of the Tyburn Convent. This convent stands on the very spot where so many English martyrs were done to death, and as one of the many priests was yielding up his soul to God he saw in vision a home of the Blessed Sacrament rising on the spot where his blood was spilled. This novena has become a yearly occurrence, and it is always crowned by notable conversions. The English people pray for converts and the grace of God captures many noble souls by their prayers.

In America we probably work harder and spend more money, but it is doubtful if we are praying with greater devotion than the English people. During the past few years the chorus of prayers has increased with ever greater intensity, but though a glorious star has been made in this way, still has not by any means stirred the heart of the Catholic people in the United States. One organization, the Knights of the Cross, through the means of the Sunday Companion, has enrolled probably a hundred thousand children, who are saying every three Hail Marys for the conversion of America. At the Corpus Christi Monastery in New York another league of devout souls have been registered, who pray constantly for the same purpose. During the last few months nearly fifty thousand copies of the Litany for the Conversion of America, that is recited every day at the Apostolic Mission House, have been distributed throughout the country, and there are many other convents and schools where public prayers are offered by the children. All this indicates a growing volume of prayer and an ever-increasing number who are earnestly petitioning Our Blessed Lord, that He may pour forth the bountiful graces of conversion to the many pure and upright souls who are seeking a haven of spiritual rest within the True Fold. There are millions of devoted souls in our Christian-ity who would give all that they possess if they could believe in the Real Presence and receive the Blessed Sacrament into their souls as we do, but they need that divine impulse that will give them the grace "boldly to take the step that leads from darkness into light."

A CONVERSION

Quite recently I noticed an article in a local paper entitled "Lay Sermon to the Churches," by Mayor Gaynor of New York. While the article reflects much credit on the Mayor, although it shows him to be not only broad-minded and observant but most kind, yet it lacks one point, and that is, he certainly must have left the Catholic Church out in his tour of the churches, for there is where you see, not only the wealthy, but the most humble in life, represented. This recalls to me an incident that led to the conversion of a gentleman of much prominence in one of the large cities of the United States. This gentleman, a Protestant, was married to a most devout Catholic who, going one morning very early to Mass, to attend a mission, was accompanied by her husband, he being incidentally called early to his down town office that morning. After parking at the church door the gentleman walked off, and a few paces when he suddenly thought he would like to return and witness the service. On entering he found the church, at that early hour, filled to its utmost capacity, even to standing room. Knowing his wife must have been late to secure a seat, he curiously gazed around to locate her, when suddenly he spied her, only a few feet away, kneeling in the midst of a number of laborers, some of whom had their dinner cans with them, they being on their way to work, but, Catholic-like, attending the mission previous to their day's labor.

Many of these laborers were fasting, as he noticed them advance to the altar railing where he also observed several wealthy personal friends and among them his wife kneeling in deep adoration; on one side of her a laborer and on the other a little girl very humbly dressed. Here was food for conjecture. All that day this gentleman could think and talk of nothing else than the humility and pure religion of the Catholic faithful. On returning home that evening, and as they sat to their dinner table, he told his wife how he had entered the church

High Death Rate
in the Spring
At the very time of the year when all nature is awakening to new life human beings are overcome by lassitude and distaste and physical activity, and the death rate mounts higher than at any other time during the year. What can be the cause? It seems to be due to the mode of life during the cold winter months. By living cooped up in overheated, ill-ventilated rooms the lungs are deprived of the life-giving oxygen, the blood becomes loaded with impurities which are not eliminated from the system as they should be by the liver and kidneys. These filtering organs are torpid, sluggish and inactive, and need Dr. Chase's Kidney-Liver Pills to restore them to health and activity. There is no way by which the blood can be purified except by the eliminating process carried on by the liver and kidneys. Hence the effectiveness of Dr. Chase's Kidney-Liver Pills as a means of purifying the blood.

O bring the American people back to These and to Thy Church, we humbly beseech Thee. Dispel their darkness by Thy heavenly light. Remove their prejudices by the brightness of Thy convincing Truth. Take away from them the spirit of obstinacy and pride and give them a meek and docile heart. Inspire them with a strong desire to find out Thy truth, and a strong grace to embrace it in spite of the opposition of the world, the flesh and the devil. We humbly pray Thee to raise up for them Catholic friends whose burning zeal shall instruct them, and whose holy lives shall edify them, that all may be converted to Thy true faith, O Lord, Who livest and reignest, world without end. Amen.

CLOSING EXERCISES

COLLEGE AND ACADEMY OF ST. JOSEPH, TORONTO

So numerous were the students attending St. Joseph's College-Academy for the year 1911-12, that it was found necessary to hold two "Closing Exercises," the one for the Minims on Saturday the 8th inst., the other for the Seniors on Wednesday the 19th. On that day, two hundred and fifty of the four hundred and twenty-five registered pupils appeared on the concert platform in the "College Beautiful," making a beautiful picture in the "College Beautiful." Where Wisdom makes her home, Where Goodness, Truth, and Beauty are worshipped as one, not three; And Faith companions Reason, and Order, Liberty.

The college work has advanced by leaps and bounds; but with the advance in Science has kept pace the progress in religious instruction of the pupils entrusted to the community of St. Joseph it may be said: "Here children of men are patterned on a God sacrificed, And the circle of life is centered and squared on the Cross of Christ."

The numbers, instrumental and vocal, on the short but perfect programme were of a high order of merit. In the choruses "A Waltz Song," "The Ivy Green" and the lovely cadence part song "Home Sweet Home" the soft blending of voices, the delicate soprano and contralto registers showed charming effects of light and shade. The soloists, Miss Collins, Coleman and Moran were equally felicitous in their work; their selections "The Last Rose of Summer" and "La Noce" from "La Moe" being characterized by faultless phrasing and tonal beauty. McCrohan's artistic of a Last number exemplified well the merit of the author's composition, her rendering was pleasing and effective. The valedictory poem, "A Farewell to St. Joseph's" was charmingly chaste and so fitting. Miss Isabel Cassidy's clean-cut enunciation making her beautiful and tender inter-pretation delightfully appealing in its simplicity and poignant expression of beauty and truth. That devotional and touching hymn "O Sacred Heart" brought a perfect programme to a finished close. To its every number an enthusiastic audience that filled the vast auditorium to overflowing listened rapturously. The young performers succeeded magnificently in getting their audience in sympathy with them and retained their sustained responsiveness throughout.

HEAVY DRINKER CURED

Samaria Cured Him and he Helps Others

A man who has been released from the awful cravings of drink, and whose first thought is to help others, shows the spirit of true religion and philanthropy. Read his letter:
"The Samaria Remedy Co., Toronto, Ont.:—Will you please send me book on drink, also circulars relating to your valued remedy for the drink habit. I wish to hand these to a friend who is going to run through drink. You will remember that I have taken your remedy, and find it all you claim it to be. I never think of taking or using strong drink in any way as all desire for it has left me. I cannot speak too highly of your wonderful remedy. You may use my name in any way you wish in public. H. Lillywhite, Bridgeton, Ont."

Samaria Prescription is tasteless and odorless, and dissolves instantly in tea or coffee, or can be mixed with food. It can be given with or without the patient's knowledge. It removes the craving for drink, builds up the system and restores the nerves. Drink becomes distasteful and even nauseous. Drink is a disease not a crime. One drink of whisky always invites another. The inflamed nerves and stomach create a craving that must either be satisfied by more whisky or removed by a scientific treatment like Samaria Prescription. Samaria Prescription has been in regular and successful use by Physicians and Hospitals for over ten years. If you know of any family needing Samaria Prescription tell them about it. If you have a husband, father or friend that is suffering from the drink habit, help him save himself. Write to-day.

A FREE TRIAL PACKAGE of Samaria Prescription with booklet giving full particulars, testimonials, price, etc., will be sent absolutely free and post-paid in a plain sealed package to anyone a King for it and mentioning this paper. Correspondence sacredly confidential. Write to-day. The Samaria Remedy Co., Dept. 11, 49 Colborne St., Toronto, Canada.
