We make this liberal offer because we desire to give a present sufficiently large to induce every one to give Dobbins' Electric Soap a trial long enough to know just how good it is. If, after trial, they continue to use the soap for years, we shall be repaid. If they only use the fifteen bars, getting the dollar's worth of music gratis, we shall lose money. This shows our confidence. The Soap can be bought of all grocers—the music can only be got of us. See that our name is on each wrapper. Name this paper. A box of this Soap contains sixty bars. Any lady buying a box, and sending us sixty cuts of Mrs. Foggy, can select music to the amount of \$4.50. This Soap improves with age, and you are not asked to buy a useless article, but one you use every week.

**DYSPEPSIA** is the most common of all diseases, and under ordinary drug treatment, the most difficult to cure. It is a chronic weakness of the stomach with indigestion. The sensitive mucous membrane coating the stomach becomes irritated, and nearly all that enters the stomach continues to add fuel to the fire. Heartburn and Sour Eructations, Belching of Wind, Nausea, Headache, Variable Appetite, Costive Bowels, etc., are its prominent symptoms. Burdock Blood Bitters is a positive cure for this miserable disease.

**NEW INVENTION.**

**GARRISON'S**

**ARTISTIC BAY WINDOW**

Or Common Windows Changed to Bay Windows.

New in Theory, New in Principle, New in Application. The Latest Architectural Idea. Universally Endorsed. Exceedingly Popular, and Selling Rapidly.

THIS great building improvement is becoming very popular wherever introduced. It adds greatly to the comfort and appearance of new buildings and makes old buildings have the appearance of modern ones. Is very ornamental. Makes rooms cooler in summer and warmer in winter. Creates a circulation of the air and keeps the heat of the sun from the room. The old blinds are used as part of the improvement. No change made in the glass or sash. Carpenters and Builders that want to make from \$10 to \$20 per day instead of the regular wages, will find it just the thing.

Parties with Means looking for a business that pays largely can purchase 10 to 20 counties and sell out by counties to carpenters and builders or realize a steady income from royalty. I employ no Agents but sell territory in quantities at low prices, so that the profits are very large, in some cases exceeding \$500 per month. I furnish models and drawings to purchasers and give full instructions. It is not necessary to be a carpenter to sell territory. Send stamp for circulars, engravings and terms. I make easy terms with carpenters on first county to introduce it.

No postals answered. Canada for sale (patented March 6, 1882). I refer to the proprietor of this paper and to the leading merchants of Cedar Falls, Iowa. Address with stamp.

**W. S. GARRISON, Patentee, Cedar Falls, Iowa.**

HAVING acquired the sole Patent right (patented in Canada, March 6th, 1882) from Mr. W. S. Garrison, for all the counties west of Ontario, in the Province of Ontario, I am prepared to dispose of the same to Builders, Carpenters, or parties with moderate capital, who will find large returns by the purchase of the rights for one or more counties.

Communications, enclosing stamped envelope for reply, addressed to **FRANK WOOTTEN, P.O. Box 2640, or 11 York Chambers, Toronto St., Toronto,** will receive prompt attention.

**AGENTS WE WANT 200 WIDEAWAKE AGENTS**

To introduce an Honourable and Legitimate Business throughout the United States.

**NOTHING LIKE IT**

Ever offered to Agents before. Great success to those who have started.

**IT ASTONISHES EVERYBODY!**

And Everybody Buys.

Grandest Thing Ever Introduced! If you Want to Make Money Fast, on Something Entirely New, Send for the New Process to Make Pictures.

The business is popular and permanent. Many who have engaged in the new business are clearing \$300 to \$400 per month. Agents drop other business to handle our invention. This invention consists of preparing white paper so sensitive that Photographs can be taken without camera or chemicals. Elegant pictures, with a Negative, taken in five minutes. Pictures copied, Stereoscopic Views, Pictures of Persons, Buildings, Machinery, Manufactories, Goods, Horses, Cattle, also reproduce Drawings, Plans, Estimates, Sketches, and Scroll Drawings, or anything; so plain and simple that a child ten years old can make them, and at the cost of one-fourth of a cent each.

There is no machinery, no chemicals, no camera, no dark room required. You can make Pictures at your own home. The whole thing is prepared and made so simple that any girl or boy of ordinary intelligence can take as good a picture as the photographer and chemist that discovered it.

**Here is a Chance for Wideawake Agents.** We send full instructions to prepare the paper and make the pictures and a full outfit, consisting of an ornamental box containing one printing frame, one tray, one negative, and sample of sensitive paper for \$3.50, prepaid by express or mail. If you want to try it before you purchase send 50c. stamps, and we will send full instructions to prepare the paper and make the pictures. No postals answered.
