* Included in another municipality in 1871.—Comprise dans une autre municipalité en 1871.

† The population in the 1881 column includes the same boundaries as in the 1891 column, and consequently differs in these cases, where annexations have taken place since 1881, from the population as given by the census of 1881.—Dans la colonne de la population pour 1881, les limites des villes sont les mêmes que celles qui existaient en avril 1891; conséquemment les chiffres de la population pour les villes où il y a eu extension depuis 1881, diffèrent de ceux qui se trouvent dans le rapport du recensement de 1881.

‡ The imperial troops stationed in Halifax are not included in these figures.—Les troupes en garnison à Halifax ne sont pas comprises dans ces chiffres.
