TO INDEPENDENT GRAIN SHIPPERS

The railways have now plenty of empty cars for farmers to load with grain to be shipped to Fort William and Port Arthur. Ship forward any-time now and meet the advancing market that seems certain to be coming. If possible use the loading platform and load direct into car and so save elevator charges and dockage.

We are not track buyers. We do not buy the farmer's grain on our own account. We look after and dispose of carlots of grain on the usual commission basis of 1c. per bushel, strictly as agents for those who employ us, always endeavoring to do the best possible for the farmer's advantage. We make liberal advances at 7 per cent interest on all grain consigned to us for sale, and carry it in anticipation of higher prices as long as our clients consider it advisable.

Write to us for shipping instructions and market information and advice.
