WUS Magazine Rack Displayed In Pybus
 National and international magazines are on display in a magazine rack in SUB's Pybus Lounge.
 Organized by the World University Service Committee last spring under former WUS chairman Bob Church, the display includes news, trade, political and general interest magazines. The money was provided by Alberta Phoenix Pipeline Company.
 The exhibition is part of the program to promote international education through research and conferences. WUS also gives material aid to students, faculties, and universities.
 Students are urged to read any of the magazines displayed. They are requested, however, not to remove them from Pybus Lounge.

"INSURE" YOUR CAREER
Serve with your COTC Contingent

- The Canadian Officers Training Corps enables you — as an undergraduate — to obtain an Army commission by training during your spare time and summer holidays. Moreover, COTC service also offers you a unique form of "career insurance".
- You are paid at regular Army rates for all time spent in actual training.
 - You are guaranteed full-time summer employment.
 - On graduation and appointment as a Lieutenant you may undertake either full-time service in the Canadian Army (Regular) or spare-time service in the Canadian Army (Militia). You are free to choose between a civilian career or an assured position as a Commissioned Officer.

For full details consult the Resident Staff Officer (Army) at your university today.
