The Dead-Line

Like, Hi. My name is Rip, and I'm the cat who does this strip. I don't want to disappoint you folks, but, man, I'm really burnt out and I don't have a clue about what to draw. So Sorry. Maybe next week. Bye...

SUDDENLY... **HEY!** Rip, you lazy bum! I've got a comics page to run here, and I don't care if you can't handle the pressure, you better get a comic on my desk in 5 minutes, OR ELSE!!!!

UHP! Man, if I don't get an idea fast, there's gonna be BIG TROUBLE! It's times like this when I wish I was a big Syndicated artist like Bil Keane. He never has any trouble coming up with ideas!

WHO'S THE CREEP WHO BUSTED MY WAH-WAH PEDAL??

NOT ME!

DON'T PIN IT ON ME, JACK! I DON'T WORK FOR YOUR STRIP!
