York University's Newspaper

Last year, respondents to *Excalibur's* Reader Survey asked for bigger issues — more often. Many university newspapers have been publishing 36 or more pages for many years.

York is Canada's 3rd largest university — to cover all the issues affecting us, we need a larger paper. To put out a bigger paper, *Excalibur* needs more staff and improved equipment.

If you'd like to see us more often with fatter issues, and more special supplements, support our referendum on **October 18 & 19**.

In the meantime, come in to **111 Central Square** and volunteer your services. *We need help!*
