It did not look nearly
so beautiful unframed.
Dr Bonar says it will travel
quite as safely framed as
unframed. The price is
£10. I have been very
fortunate just now in selling.
during the war I could not
get purchasers. I want to
sell as many as I can as
the money will be a great
help. I have left 3 of
Venice 2 of Bellinzona
4 of the Lake of Lucerne
1 of the Splügen or Goldau
3 unnamed but probably
the Lake of Geneva or Lucerne
