Dear Sir:

Re: Your file 207-5.

With reference to your letter of May 8th, regarding aerial transportation for the Norway House Treaty trip, I have to advise you that it has been ascertained from the Department of Transport that Wings Limited are not licensed to operate in to Oxford House. It is, therefore, not possible for the Department to accept their offer to do this work.

You are authorized to employ Canadian Airways Limited to do this work, but it is suggested that you obtain a price from them before entering into a contract.

Yours truly,

af

D. J. Allan,
Superintendent, Reserves & Trusts.
