OTTAWA, 23rd November, 1910-

Sir-

Referring to your letter of the 17th Instant relative to the non-payment by Mr. Trott of rental due by him on land leased from you, I beg to say that the local Agent has this day been written to make an immediate collection of the money due and forward same to the Department. You should place yourself in communication with Mr. Sutherland, Delaware, as all matters of this nature must be referred to the Department through him together with his report thereon, and consequently much delay might be saved by writing the Agent in the first instance.

Your obedient servant

Asst. Deputy & Secretary
