

December 6th. 1917.

Dear Mr. Abraham,

I have your letter of the 3rd. instant. I think it would be well to carry out the arrangement as proposed at Mount Elgin, and I will write Rev. Mr. McVitty today. You will therefore take such steps as you think necessary to insure the success of the scheme. I shall also write the agent as suggested by you.

Yours very truly,

Deputy Superintendent General.
