

C157422

OFFICE OF THE PRIME MINISTER

MEMORANDUM

*file in for trip
Washington*

FOR THE PRIME MINISTER:

I should have told you last night that the United States Ambassador had telephoned to express his disappointment that he had not met you at the train. He had been told by the station that the train was twenty-five minutes late, and when he arrived found that you and all those who had been there to meet you had left the station.

J.W.P.
