

Watch Your Daughter!

Windsor, Ont.—“When I was growing into womanhood I became rundown, my

nerves were bad and I got very weak and trembly. My mother gave me Dr. Pierce's Favorite Prescription and it built me up in health, strengthened my nerves and made me well. Since I married, whenever I have felt myself going

down or my nerves beginning to bother me, I have taken the 'Prescription' and every time it has quieted my nerves and made me feel fine.”—Mrs. Hilda Hodgins, 504 Aylmer Ave.
