AS

Money-Makers

1st New York Cockerel

Every Bee Keeper should keep Poultry.

My Buff Orpingtons will make you money, not only as layers, but in Show Stock Sales.

My Strain of Buff Orpingtons as Layers:

For the first half year of the International Egg Laying Contest, under the joint auspices of the British Columbia Poultry Association, Vancouver Board, and the Provincial Government, held at Victoria, B. C., with 40 pens competing, contributed by breeders representing different parts of the world,

my strain, pen 39, owned by C. W. Robbins, of Chilliwack, B.C., are 2nd place, leading in all utility varieties, only one pen, White Leghorns, ahead by a few eggs.

In March report the management says: Pen 39 have drawn away from pens succeeding. Their performance during the month has been the more praiseworthy owing to the fact that three broody hens had to be removed. These were broken up easily and all were returned to their pens in three days and at work again.

I have been breeding Buff Orpingtons for 15 years, and have won the highest honor at shows in the United States and Canada. Have 12 breeding pens; eggs and stock for sale in season. Eggs \$1.00 to \$10.00 per 15; incubator eggs \$6.00 per 100. Write for free illustrated Catalogue. A post card will bring it.
