The CATHOLIC CHRONICLE.

DEVOTED TO ... FOREIGN NEWS

ROME

The last of the celebrations in Oriental Rites, which occur during the Octave of the Epiphany, was miliar and most solemn ceremonies.

made their rendezvous there. The College of Propaganda is the seat of new Babel of tongues, uniting instead of dividing the various races of mankind. A great French Bishop in the first half of the last century described the College of Propaganda as the expression of the grandest and holiest effort made, in any human establishment, to labour for the restoration of the unity of the human tom to hold in Propaganda a "feast of science and of humanity. of languages" in honor of the Magi, or Kings of the East, who, led by the star, came to Bethlehem to pay their of Popes there are scarcely more than homage to the new-born King of the Jews; and this became, in their per- Italian cities-in Perugia, Viterbo, son, the Saviour consecrated the vocation of all nations.

much solemnity. The relics this year, the shrine around which lie the were placed in the centre of the mains of many Pontiffs. great church, surrounded with can-delabra, resplendent with lights, and exposed to the veneration of the peo-Cardinal Fischer, Archbishop of 1904 of 10,000 persons were in the church, Hon. Sir Francis L. Bertie, G.C.B., and an equal number outside, who vainly sought admission. Cardinal Fischer delivered a discourse, in which he said that on this occasion they celebrated the century of the recovery and the return to Cologne of the Subject of the lecture covery and the return to Cologne of the National decomposition of the control of the subject of the lecture force, allowed Protestant judges to phan asylum, Nazareth House, Carbon, they call; and Nationalist, some of the large observatories, which have accomplished so much for science.

The Bishop of Newport, Wales, act-banked Boulanger and Paul Deroulede, disorganized the national decomposition of the part of Salita Klaus at the original of the large observatories, which have accomplished so much for science.

The Bishop of Newport, Wales, act-banked Boulanger and Paul Deroulede, disorganized the national decomposition of the part of Salita Klaus at the original of the par French Revolutionary troops, who lends special interest to this theme ent Minister for Foreign Affair spread desolation in the Roineland, at the present moment is that exca-handed Egypt over to England."

Another interesting fact related by came to Cologne in the 12th century, fused it, consenting at the same time. There was held a similar celebration. For long centuries the great Lombard city lamented the loss of so precious a treasure, seeking uselessly to have it restored. Cologne would not deprive itself of such illustrious relics. Now, however, the Archbishop of Milan, Cardinal Ferrari, desirous of Neving in gift a very small portion. The fused it, consenting at the same time at the same time to the same time to the erection of an altar in the satisfied because that celebrated because that celebrated statisfied because that celebrated statisfied because that celebrated to the establishment of the satisfied because that celebrated statisfied because that celebrated spouter and sham Socialist was not made Speaker, to use the English Catholic paper describes the enthusiasm with which the semi-sentential of the establishment of the enthusiasm with which the semi-sentential of the establishment of the enthusiasm with which the semi-sentential of the establishment of the enthusiasm with which the semi-sentential of the establishment of the enthusiasm with which the semi-sentential of the establishment of the enthusiasm with which the semi-sentential of the establishment of the enthusiasm with which the semi-sentential of the establishment of the enthusiasm with which the semi-sentential of the establishment of the enthusiasm with which the semi-sentential of the establishment of the enthusiasm with which the semi-sentential of the establishment of the enthusiasm with which the semi-sentential of the establishment of the enthusiasm with which the semi-sentential of the establishment of the enthusiasm with which the semi-sentential of the establishment of the enthusiasm with which the semi-sentential of the establishment of the enthusiasm with which the semi-sentential of the establishment of the enthusiasm with which the semi-sentential of the establishment of the enthusiasm with which the semi-sentential of the establishment of the enthusiasm with having in gift a very small portion of these holy relics, expressed that desire to Cardinal Fischer, when the latter visited him during his first journey to Rome, and he repeated the same desire to the Cardinal Arch. The first purpose, and the possibility of interpreting their purpose, society to the Cardinal Arch. same desire to the Cardinal Arch- Jones in his very interesting lecture. bishop of Cologne during the election of the present Pontiff. The Chapter of Cologne, on the return of Cardinal snaring of the refices with Milan, and they responded favourably to the request. "We opened the reliquary," said Cardinal Fischer, "and we took from each of the sacred bodies a part which we destined to Milan and of the sacred bodies a part which we destined to Milan and of the sacred bodies and entrusts the soldier as Field Marchal Breaks!
