"OSHAWA" STEEL SHINGLES
differ from other shingles in many respects. Their superiority is shown by the demand for them from all parts of the globe.
"Oshawa" Steel Shingles are locked on all four sides; a feature which no other steel shingle possesses. They do away entirely with cleats, which experience has proven do not hold the sheets down firmly, and are always being opened up with sliding ice and snow.
Locked shingles mean a big saving to you, as they are easier to apply than any other.
Once you've made the acquaintance of the "Oshawa" Shingle you'll use no other. The reason is very plain.
You will have a shingle that gives the most satisfactory results, and does away with the annoyances and complaints which follow the use of inferior goods.
Our catalogue gives fullest particulars. It's yours for the asking.

If You are Sick
Let me Know it.

I wish simply your name and address — no money. Tell me which of these six books you want.
I will send with it an order on your druggist to let you have 6 bottles of Dr. Shoop's Restorative. He will let you take it for a month; then if it succeeds, he will charge you \$5.50 for it. If it fails, he will send the bill to me. He will trust to your honesty, leaving the decision to you.
Such an offer as this could not be made on any other remedy. It would bankrupt the physician who tried it. But in five years I have supplied my Restorative on these terms to 550,000 people. My records show that 39 out of each 40 paid for it, because they were cured.
This remedy alone strengthens those inside nerves that operate all vital organs. It brings back the only power that can make each organ do its duty. No matter how difficult the case, it will permanently cure, unless some organic trouble like cancer makes a cure impossible.
I have spent my lifetime in preparing this remedy. I offer now to pay for all you take if it fails. I cannot better show my faith in it. Won't you merely write a postal to learn if I can help you?
Simply state which book you want and name of your dealer, and address
