The Angle
LAMP

There's no longer any reason for prejudice against kerosene lighting. The Angle Lamp employs a new principle which does away with all smoking and offensive odors and makes the best and the most satisfactory light in the world.

Brilliant as Gas
or electricity, and better than either, because its light is soft and mellow and does not hurt the eyes. It's the light with "no under shadow," lighted and extinguished like gas. It is safe, clean and convenient. A great difference between the Angle and any other lamp.
