SCROFULA

las, Eczema, Blotches, Ringworm, Tumors, Carbuncles, Boils, and Eruptions of the Skin, are the direct result of an impure state of the blood.

To cure these diseases the blood must be purified, and restored to a healthy and natural condition. AYER'S SARSAPARILLA has for over forty years been recognized by eminent medical authorities as the most powerful blood purifier in existence. It frees the system from all foul humors, enriches and strengthens the blood, removes all traces of mercurial treatment, and proves itself a complete master of all scrofulous diseases.

A Recent Cure of Scrofulous Sores. A Recent Cure of Scrofulous Sores.

"Some months ago I was troubled with scrofulous sores (ulcers) on my legs. The limbs were badly swollen and inflamed, and the sores discharged large quantities of offensive matter. Every remedy I tried failed, until I used AYER'S SARSAPARILLA, of which I have now taken three bottles, with the result that the sores are healed, and my general health greatly improved. I feel very grateful for the good your medicine has done me.

Yours respectfully, MRS. ANN O'BRIAN."

EF All persons interested are invited to call on Mrs. O'Brian; also upon the Rev. Z. P. Wilds of 78 East 54th Street, New York City, who will take pleasure in testifying to the wonderful efficacy of Ayer's Sarsaparilla, not only in the cure of this lady, but in his own case and many others within his knowledge. The well-known writer on the Boston Herald, B. W. BALL, of Rochester, N.H., writes, June

"Having suffered severely for some years with Eczenia, and having failed to find relief from other remedies, I have made use, during the past three months, of AYER'S SARSAFA-RILLA, which has effected a complete cure. I consider it a magnificent remedy for all blood diseases."

MIST. KENSINGTON HIGH STREET, LONDON, W. "This WINE is guaranteed to be the juice sia, and the Medoc. It is perfectly free from Alcohol, and is guaranteed to be Pure Grape Juice. It has stood the test of 22 years' continous sale in every climate, and is no used in upwards of 1500 Churches of all denominations. The mode of manufacture is a slight modification of a well-known ancr ent practice, and effectually preserves th grateful flavor and the rich nutritious qualities unimpaired. It is therefore admirably adapted in cases of debility and tever, in wich the stomach is too weak to digest other food. Children suffering from febrile ailments drink it with avidity, even when all

other food has been refused.

"I have chemically examined the bottle o Wright's Unfermented Wine (taken by my son from the stock held by Mr. Wright's Belfast Agent), and find that it is free from alcohol, and contains the constitutents of grape juice. When mixed with water it will prove an agreeable beverage."

Who is Perry Davis?

About forty years ago when PERRY DAVIS, of Providence, R. I., in the United States, first introduced to the world his now universally known Pain-Killer, he was a poor man without influence, a cripple and an invalid. He studied the effect of certain druss upon the human system, and experimented in their uses until he had compounded a medicine capable of curing his own maladies. When restored to health, he offered the preparation to his feltow sufferers, until now there is not a country on earth which does not buy it. It is eminently a earth which does not buy it.
