Farm Women's Clubs

NOTE.—Any woman in Saskatchewan who feels that she would like to have a Woman's Section of the Grain Growers' Association in her district, should communicate with the provincial secretary, Miss Erma Stocking, Delisle, Sask.

Any Alberta woman who would like a Woman's Section of the United Farmers in her district should write to Mrs. R. M. Barrett, Mirror, Alta., who is the woman's provincial secretary for Alberta.

HAVE A DEFINITE WORK

Personal responsibility in the up-building of the community was shown at the Women Grain Growers' convention. With the glow of enthusiasm that results from so large a gathering many members will desire to begin at once to do their part in the knitting together of the scattered threads of community interests. There is felt the need of a concrete example of some object that might receive the support of all the people. Why not start a community campaign, perhaps for better school grounds, better trees, poultry, a district nurse or even for a community play ground? At your Women Grain Growers' meetings, decide upon some line of activity and have a part of each meeting bear upon that work.

As a concrete example of a way to arouse the community spirit, commence a campaign thru your association for an attractive social centre. Study its needs, put curtains and paint and flowers where they will overcome a multitude of sins, and discuss how the social centre can best serve the needs of the neighborhood. An association would be doing effective work that provided a neighborhood a play ground. A ball ground and tennis court might be arranged for, and an occasional evening set aside for a sports night.

We want letters from associations that have found some specific way of benefiting their neighborhood. By means of Women Grain Growers' reports and letters we would like to make this page one of mutual helpfulness in community uplift.

The study of civics will soon of necessity be a part of the program of Women Grain Growers' clubs. The coming of the franchise entails the responsibility of keeping in touch with civic matters even more than before. There is a booklet for sale at the office of the Provincial Secretary, that each member should have. It is entitled, "Laws in Saskatchewan Relating to Women and Children," and is written in a clear way suitable for club study. Send twenty-five cents to Erma Stocking, Delisle, for a copy.

PANGMAN BUSY

Dear Miss Stocking:—Weather conditions have prevented the regular meetings being held. A meeting was called on December 1 for the purpose of appointing delegates to the annual convention at Weyburn. Two delegates and several members went to the convention. The delegates gave their reports at the next meeting, and discussions on many points ensued. This was at a joint meeting. Before joining the men, the women drew up and signed a petition to the minister of justice on behalf of a woman, who was sentenced to be hung. Literature on Red Cross work was to be distributed. After the meeting was adjourned Mrs. Klinck, our hostess, served lunch.

The next meeting on December 18 was also a joint affair, and was held in the school.

On New Year's Eve a box social was held in the school to raise money to send delegates to the annual convention. A pleasant time was spent and the proceeds amounted to \$37.25, so at the next meeting \$10 was donated to the Red Cross fund and \$15 to the Belgian Relief fund. Mrs. Keeler was sent as a delegate to Saskatoon, and brought back a most interesting and enthusiastic account of it, which she gave at a joint meeting on February 26. After the reports the two sections separated in order to hold their annual meetings. All were extremely sorry when Mrs. Klinck resigned her position as president, and a vote of thanks was given for her able services of the last two years. Mrs. Keeler was elected president in her stead, Mrs. Lazell is vice-president, and Mrs. Clews secretary. Directors, Mesdames Klinck, Loucks,

Cooper, Bennet, Dorgan and Darby—one on each telephone line.

MRS. K. CLEWS,

Sec. Pangman W.G.G.A.

Reports from Pangman are very welcome. We wish them continued success thru the coming year. E.A.S.

EXTENSIVE CO-OPERATIVE BUYING

In an interesting report from Mrs. Clark, of the Storhocks Women's Section, she writes that that club was successful in co-operative buying. They handled over four hundred dollars last fall when buying fruits of different kinds. This year they are going to commence buying co-operatively as soon as the fruit first starts to come in. They find that method brings a great reduction in price as well as a good sample. It also has the result of making the women members very interested in the work. They had a picnic in the summer at which they made one hundred dollars, so that members who were not able to pay for fruit until fall got it just the same, as the funds on hand were used for that purpose. They found that credit method a great help, as farmers are generally short of cash when the fruit comes in, and as a result the women have to do without the fruit. This credit method helped the men of their local as an object lesson. They laughed a little about it at first, but now they enjoy the fruit instead of the dried stuff.

The men let their local fall thru last fall and did not have one meeting, but now they have re-organized, and this is the way they did it. They met with the ladies, and after our business was over I remained in the chair and they all balloted for president, secretary and vice-president. We have sent two large boxes of clothing to the lady whose name we obtained from you, and she in turn told us of another needy one and they now divide it between them.

We are pleased with the example of good business shown. They are to be commended on the way they have encouraged the men to re-organize.

A LARGE CLUB

Dear Miss Stocking:—The Laura Women Grain Growers held their monthly meeting on March 1 in the parlor of the Laura Hotel. There were twelve members present and four visitors. We enrolled two new members, bringing our membership up to twenty-eight. Arrangements were made for a box social to be held in the Orange Hall. We enjoyed the reports of the Women Grain Growers' convention that were given by Mrs. Jefferson and Mrs. Jamieson. Mrs. Real will give her report at the next meeting, to be held at the same place.

After the meeting we all enjoyed lunch, some of the ladies having brought cake and Mrs. Doyle, of the hotel, serving tea and also providing sandwiches.

MRS. REAL,

Sec., Laura W.S.G.G.A.

Laura knows how to grow, her membership has increased splendidly.

ANNUAL FLOWER AND VEGETABLE SHOW

The Bratton Women's Section report that they have been organized a year and have had a membership of twenty-four. Among their topics for discussion have been: "Home Management," "Canning and Preserving," "Bread and Cheese Making," "Salads," "The Unexpected Guest."

The flower and vegetable show held in August was thought to be such an incentive for better work in the gardens that it was decided to hold one annually. A subject relative to the home is always given the most attention in their club. They have raised their funds for home use and patriotic work by giving concerts, dances and social evenings.
