Work-House, crested in the Texan of Habilak; and other Matter, intended to be provided for by the 1914 Act.

Be it enabled he the Lieutenant Governor, Council, and Afrille, That from and after the Publication hereof, the ordering and Governing the faid House of Correction or Work-House, thall be in the Justices of the Peace in their Quarter Sessions, (except these Rooms, which shall be referved for the Reception of the Poor, under the Direction of the Overtees of the Poor,) and the said Justices are hereby also impowered to agree with any Perion to be Matter or Keeper of the said House, (excepting the three Rooms before excepted) upon the best Terms they can, for such Time as they shall think adviteable, publick Notice being first given in the Hairfax Gozette for that Purpose; and such Master or Keeper shall account with the said Justices in Sessions, once in every Three Months (it required,) thesein stating as well the Expences of attending the said House, as all the Earnings of the tame.

And be it surther enabled, That the said Justices shall manimate Three of their Bench Quarterly, to have the Inspection of the said Keerk House, one of which Justices in Rotation shall visit the same at least once every Week, to see that such Persons as shall be commuted thereto are kept diligently to Work; and to rectify any Abuses, that may be found in the Manager ment thereof.

and whereas. By the said Act, Sick and weak Persons, unable to Work, are directed to be sent to the said House of Correction, to be there taken care of and Relieved, which has been attended with great Expence, for

Remedy whereof

Best enaded. That it shall be in the Power of the Oversers of the Poor of the Town of Halitax only, to send such Sick and weak Persons to the Work-House, there to be relieved by their Direction, and the Expence thereof to be detraved out of such Taxes, or PoossRate, as shall be ganted and collected for the Town of Haisjax.

And wherear, The Clause in the said Act, relating to the Binding one Poor Children, and Orphans, is confined to the Town of Halifax only, which it extended to the other Towns in the Province, might be attended with many good Effects. Be it therefore enabled. That the said Clause is the before recited Act, relating to the Binding out Foor Children and Orphans, and all the directions therein contained, shall for the suture extend, and be construed to extend, to all the other Towns in this Province.

Published according to Law, the 28th Day of-November 1763.
