

Hastings and Belleville Asked to Raise \$2,100,000

Objective Set For Loan Campaign—Conference of Canvassers From Three Counties—Wide- Awake Men Who Will Put the Victory Loan "Over the Top."

From Thursday's Daily.
Yesterday was a memorable occasion in the annals of the Bay of Quinte district. About seventy-five of the leading business men of three counties assembled at the Y.M.C.A. building and laid plans for the collection of \$3,900,000, as their quota towards putting the finishing touches on Prussian Kultur.

Should Appeal to Patriotism

Mr. W. B. Deacon, chairman of the Victory Loan Committee for Hastings County, presided. In a brief address, he outlined the purpose and objective of the new Canadian loan. We should place our appeal on the high plane of patriotism, said Mr. Deacon. In the United States the biggest business men looked up their offices and took off their coats and went out to get the money. They did it voluntarily and did not receive a cent of remuneration for their work. Several remarkable instances were quoted by Mr. Deacon of the wonderful response in the U. S. among the people of moderate means. They made it a living, personal issue.

Mr. Evans, the district organizer, was called upon and ably went over the various details in connection with application for loans. Mr. Evans answered many questions, and gave many valuable hints to the canvassers.

Exceeded Their Objectives

Mr. C. C. Cross, organizer for Prince Edward, is a live wire and he gave some suggestive facts from the last campaign. This was the Eastern district, one of the eight districts into which Ontario was divided. This district exceeded all the others in per capita contributions, and in this banner district Prince Edward was the banner county. These were the amounts raised:

	Total	Per Cap.
Lennox & Addington	\$1,011,000	\$54.55
Hastings	2,210,000	41.79
Pr. Edward	1,134,000	70.52

Prince Edward had exceeded its objective by 400 per cent.

The objectives for the new campaign were:

	Total	Per Cap.
Lennox & Addington	\$ 900,000	\$50.00
Hastings	2,100,000	40.00
Pr. Edward	900,000	60.00

For those counties exceeding their quota an honor flag would be awarded by the governor-general.

Daily Returns Should Be Made

Mr. H. W. Ackerman explained the necessity for each canvasser to make daily returns. This was absolutely required by the Central Committee at Toronto. Applications, etc., should be recorded and forwarded daily as follows:

House-to-house Canvassers Wanted

"We want a house-to-house canvasser," said Mr. E. C. Thompson, organizer for the Eastern district. The Government was saving \$35,000 by not sending out the printed circulars used in the last campaign. It was necessary to canvass every member of the household. He told of one place where the maid was being overlooked, but when asked to buy bonds she purchased to the extent of \$4.50.

Low Cost of Last Campaign

Mr. Thompson told of the many extravagant stories going around about the huge amounts that had been paid to canvassers, etc. in the last year's campaign. The facts should be made known. The actual cost for all the canvassing, advertising, commissions, aside from the banks and incidentals amounted to but slightly more than one-half of one per cent. Or, to be exact, to .64 of one per cent. Had the loan been floated in New York, brokerage charges and discounts would have been very much greater than the cost by the truly economical methods pursued here.

Mr. Thompson also gave figures showing the tremendous exports of

Canada the past year as well as the unprecedented aggregate of savings in the banks. "The money is there. Go after it," said Mr. Thompson.

Preparing The Ground

Mr. J. A. Benson, inspector of schools for Prince Edward, who has charge of the publicity work for the campaign in Prince Edward, gave an admirable address and one that was very practical in its application.

The work of the publicity, said Mr. Benson, is to create an atmosphere in which the canvassers may successfully work. It was like the sunshine and the rain that prepared the ground to bring forth its harvest.

Mr. Benson then went over the remarkable series of colored litho posters that are to do service in this campaign, and explained the peculiar appeal or suggestions of each. The men who prepared these posters were not only artists but psychologists. They knew the mind of the Canadian citizen.

Mr. Benson also spoke appreciatively of the work of the newspaper press and the great work it had done in promoting the former loan. They would again have the full co-operation of the press.

The clergy could also help in a most effective way. He hoped to have every minister in Prince Edward preach a sermon along that line on Sunday, Nov. 3rd.

The poster should not be thrown into the waste paper basket but should be prominently displayed. The canvassers might even take them along and make use of them in the individual canvass.

Brief but inspiring addresses then followed by Mr. Robert Davidson of Picton, chairman for Prince Edward; Mr. A. Wood, publicity chairman for Lennox and Addington; ex-Mayor H. F. Ketcheson, Belleville; Mr. H. H. Horsey, Crossby, and Rev. Dr. E. N. Baker, principal of Albert College. These short addresses were not only eloquent but struck a high note of patriotism and of loyal confidence in the cause.

Among those present were: Hastings—E. B. Thompson, organizer, Eastern Division; W. B. Deacon, Chairman; H. F. Ketcheson, H. W. Ackerman, J. O. Herby, Rev. E. N. Baker, R. W. Adams, J. C. Brown, F. S. Mrs. Robt. Coulson Seriously Ill

From Thursday's Daily.
The many friends of Mrs. Robert Coulson, in both Hastings and Prince Edward Counties, will regret to hear of her very serious illness. Mrs. and Mrs. Coulson left Ontario on Aug. 22nd to visit Mrs. Coulson's son, W. W. Emerson, advertising manager of the Grain Growers' Guide, Winnipeg, and other friends in Manitoba and Saskatchewan. Mrs. Coulson left the east in the best of health which she continued to enjoy until Sept. 15th, when she was taken ill with what appeared to be stomach trouble. As her illness progressed the doctor in charge of the case called into consultation Dr. Halpern, one of the leading surgical specialists in Winnipeg, who advised an operation, which was performed on Oct. 8th. The operation disclosed an abscess behind the stomach on the pancreas. This was removed. Mrs. Coulson withstood the shock of the operation well, but her progress to recovery has been very slow and slight hopes are held out for her recovery.
