Dufferin Rifles Hold First Autumn Parade

The Regiment Looked in Fine Shape Last Night--Doings for the Week Around the Local Armories.

For the first fall parade which was held by the Dufferin Rifles last night, the parade state was 375. In the absence of Lt. Col. Howard, who is present in England, the regiment was under the command of Major Genet.

Letter of Congratulation Previous to presenting the prizes, Major Genet read a letter from Col. Moore in which the Colonel congratulated the regiment on the splendid showing made at the Hamilton Centennial.

The Major Speaks The Major spoke of the splendid marksmanship exhibited, and stated that the scores had been higher this year.

Much Enthusiasm There was great enthusiasm. As the members of the regiment, either individually or as a team, received the prizes, expressions of pleasure were in evidence.

Queen's Own Cup The Queen's Own cup for skirmishing, was won this year for the fourth time, a company second team turning the trick.

Stratford Shield The Stratford shield for disappearing targets, was won by F company team with E company second and A third.

Dufferin Medal The Dufferin medal was won by Sergt. C. Bissett, who made a score of 39 out of a possible 50.

Football Banner Presented Major Genet presented the Y.M.C.A. banner, won by the football team at the Niagara camp.

Certificates of Rank The following corporal and sergeant certificates were presented: Privates J. A. Fother, W. Hopgood, R. H. Parker, R. C. Clay, A. Brock, A. Bellingham, F. Sopsoworth and Acting Corporal A. Barkley.

Good Shooting The Dufferins on parade last night made a good showing, and the citizens turned out to witness Brantford's pride "The 38th Dufferin Rifles of Canada."

Parade State The following was the parade state: Staff Officers: 3

THE ODDS AND ENDS OF A BUSY COUNCIL NIGHT

William Brierly asked for a grant of \$100 for the Brant Poultry Association.

Bennett and Bowden were ordered to pay \$342 on their contract for Hydro Electric sub-station.

A local improvement by-law was passed authorizing construction of sewers and sidewalks which have been previously advertised.

All coal loads were overweight during August except one delivery which was 10 pounds short.

One bill at the council staggered the clerks: \$5,085 for an automatic steam shovel, and everybody thought the board of works was going some.

Thornton's Limited, asked for a license to conduct a tannery on Greenwich street and there was a deputation on hand to urge the same.

The only thing that could drown Aldermanic voices was the regimental band on parade at the market. The band did it for a few minutes as usual.

The City Council was asked by Woodstock to send representatives to see Hon. W. J. Hanna, September 30th, re the Western Ontario prison farm idea.

Ratepayers on West side of Washington street asked for a new sidewalk on the outside of the boulevard, but the petition was not sufficiently signed.

The Ontario Electrical Association will meet Sept. 29th at Toronto to consider joint action in the purchase of supplies. Brantford representatives were asked for.

Albert Henderson belongs to New Durbin and not to Brantford. Therefore Hamilton hospital authorities will have to look elsewhere for the man's keep at the Hamilton hospital.

The quorum present was as follows: Mayor Hartman, Ald. Charlton, Gillingwater, Pitcher, McEwan, Suddaby, Sutch, W. J. Hanna, Hollinrake, W. J. Spence, Ryerson, Broadbent, McFarland.

Hiram Quinlan asked permission to erect building on street line on lot 67, near Rawdon St. on Colborne street. He pointed out that other buildings were within four feet of line.

The Waterworks Company some time ago acquired several houses on Jex street. Consequently they do not want to pay taxes on same as under a by-law passed some years ago the company is under a certain limited exemption.

The City Treasurer paid out \$89.86 for Brantford indigent at the provincial asylums and hospitals. But the same was presented and Ald. Spence suggested that it be turned over to Relief Officer Eddy to investigate the bona fides of the same. Ald. Spence said he had heard several of these indigents had relatives well able to support some amount of money. He thought the relatives should feel their neck, and suggested that an investigation be held.

Ald. Pitcher moved, seconded by Ald. Spence that the chairman of the board of works be requested to bring in a report at the next meeting of the City Council, the various amounts expended in each Ward on streets, sewers and sidewalks from Jan. 1, 1912 to date. Ald. Suddaby said he could easily have done it by request without the necessity of a resolution. However, Ald. Pitcher's motion was carried.

Ald. Gillingwater had a resolution calling for an investigation as to who altered petition after it was passed by council for removal of an old building to Marlboro street. City Clerk Leonard said no land was assessed on Stanley street but on Marlboro street. It was changed without any idea to do anything wrong. It was simply a case of describing the property. Ald. Gillingwater was satisfied and withdrew the resolution.

Ald. Spence wanted to know about the agreement re the roadway to the new sanitarium. Two routes were given the second being advised by the township engineer. A third route was suggested at half mile north and the city would get the property free.

"Daddy will be better now," said little tot

FROM ALL OVER THE GREAT WEST Come Reports From Women of Dadd's Kidney Pills.

Telling of Renewed Health and Fresh Vigor Through Using The Great Canadian Remedy, OVERLAND, Sask., Sept. 15. (Special)—From all over this great West are coming statements from women who have found renewed health and fresh vigor through using Dadd's Kidney Pills.

Women's health depends on the kidneys. If the kidneys are not right the result is weakness and weariness and a burden of pain almost too great to bear. But when Dadd's Kidney Pills make the kidneys right the result is that all poison is strained out of the blood, the seeds of disease are removed and the purified blood carries health and vigor to all parts of the body.

SCHOOL DEMANDS MADE AT COUNCIL MEETING

But it is Decided by Committee to Fully Look Into Same.

A demand was made at the City Council meeting last night by the public school board for more school accommodation, particularly in the outlying sections.

The school board asked for co-operation and believed in economy at the present time, but the matter was urgent.

A resolution was moved that the request be referred to the finance committee, but Ald. Spence wanted the entire council to discuss the matter with the school representatives.

As Far As He Could Go. "I" said, "can trace my ancestry back to armours and shirts of mail."

NEW MAUSOLEUM MUST BE ERECTED INSIDE TWO YEARS

Otherwise, By-Law Passed by City Council Last Night is Void.

At the city council last night, an agreement between the International Mausoleum Company and the city was put into a by-law.

The exterior is to be of stone, the interior of marble and containing a chapel of 40 square feet. The city shall receive \$5 for each crypt, which sum is to be invested and kept as a separate fund for upkeep.

Hiram Quinlan asked permission to erect building on street line on lot 67, near Rawdon St. on Colborne street. He pointed out that other buildings were within four feet of line.

CRIPPLE JUMPED INTO WHIRLPOOL

John Hawkins, an Iron Moulder, Ended His Life at Niagara.

NIAGARA FALLS, N. Y., Sept. 16.—John Hawkins, a cripple iron moulder, ended his life late this afternoon by leaping off the lower steel arch bridge into the Whirlpool Rapids. His act was witnessed by two women, Mrs. Donald, of Huron St., and Mrs. Sues, of May St., Niagara Falls, Ont.

Late Saturday afternoon Hawkins made two successful attempts to commit suicide at the same place, both efforts being prevented by residents of Niagara Falls, N. Y.

He also made two attempts to vault the railing, before finally succeeding. The man was a cripple, his right leg being off at the knee. He walked with one crutch, and in his efforts to climb the rail, which is about a foot 6 inches high, he lost his balance and fell back.

Among those who figured in preventing him from ending his life on Saturday was a newspaper man. He met Hawkins on the street about five minutes before he ended his life today, and attempted to get him away from the bridge, but the man refused to accompany him, and entering a saloon, passed through the building and out on to another street.

Hawkins was about 68 years old, a water moulder, and boarded at the Waterway Hotel, Niagara Falls, N. Y. He claimed to be waiting for a new job on Saturday, but little is known of him, except that he came from Erie, Pa., several months ago.
