215TH STRENGTH STANDS NOW, 360

Three More Yesterday—Recruiting Office Open in St. George.

A certificate of qualification for the rank of captain has been received at the headquarters of the 215th Battalion for Lt. J. A. D. Stelm, who has been recommended for promotion. Lt. Stelm qualified for his captaincy in Toronto a short time ago. Three recruits were obtained by the 215th yesterday bringing the full strength of the Battalion to over 360. Recruiting is progressing favorably row and for the past few days no parades have been held by the battalion, which is scattered throughout the city, engaged in active and vigorous recruiting. An office for the 215th Battalion has been opened in St. George, where a number of men are now stationed for the purpose of furthering recruiting in that district. Under the able supervision of Bandmaster Waters, excellent progress is being made by the 215th Battalion brass band. The trumpet and bugle band under Sergt. Dickson is also advancing favorably. Recruits are now being outfitted by the quartermaster's department at the rate of seven or eight per day, owing to the influx of recruits recently obtained. Ample equipment and assistance is obtainable, however, and no matter how speedily recruits are obtained by the battalion, Capt. Ferguson, and his men are prepared to equip them with all necessities. Preparations for the sporting rally to be staged Friday night are being made at the battalion headquarters. The brass band of the 215th, which will make its first public appearance, upon the occasion should in itself be sufficient to ensure a large attendance but in addition a number of musical events, as well as patriotic speeches have been arranged for. The Johnson Brothers known throughout the city, will stage a boxing bout, while among the speakers will be Ex-Col. Grier of the 180th Sportsmen's Battalion, Toronto.

NOTICE! Any Merchants or others having unpaid accounts with the 126th O.S. Battalion, C.E.F., with any member thereof in respect of board or lodging, are requested to present bills for payment at once, in order that settlement may be made up to date. (Signed) A. C. Emmons, Capt. and Adj. For Lt. Col. Commanding 125th O.S. Battalion, C.E.F.

(Continued from Page 1) fortifications, and from time to time bringing up fresh artillery. PEACE RUMORS. "One very curious and characteristic fact may be noted. In the German army on the Riga front there are persistent rumors of an early peace. It is even asserted that on June 1st an armistice will be concluded between the belligerents. The German soldiers believe these reports, in spite of Von Hindenburg's order of the day telling them that peace will not be made until Riga and Dvinsk are taken. This attitude is very interesting, in view of the peace rumors that Germany is diligently spreading just now all over Europe, but all suggestions of peace at the present stage of the war are indignantly rebuffed here. As The Novoye Vremya says: "GERMANY IS TIRED "There are able men in Germany and they are clever enough to see it would be a good thing to conclude peace now before Germany is completely exhausted. The present German kite, like that of August of last year, is not a decisive symptom on which strategy might base its calculations. Germany admits she is tired. All the better, we have long looked forward to this moment. Germany is tired, let us redouble our blows. No other answer can be given to the Kaiser's proposals."
