

Gray Hair

"I have used Ayer's Hair Vigor for over thirty years. It has kept my scalp free from dandruff and has prevented my hair from turning gray."—Mrs. F. A. Soule, Billings, Mont.

There is this peculiar thing about Ayer's Hair Vigor—it is a hair food, not a dye. Your hair does not suddenly turn black, look dead and lifeless. But gradually the old color comes back,—all the rich, dark color it used to have. The hair stops falling, too.

There is a great scarcity of tenements or houses for rent in Hantsport at present. One gentleman was here last week looking for a house, but was unable to get a suitable one. He was obliged to go to Wolfville to be accommodated. It might be a good idea for some of our townspeople to build a few nice tenements.

Miss Ada Dickie who lately returned home from Jamaica Plain, Mass., was given a very pleasant surprise party at her home last Thursday evening. It was a complete surprise to this popular young lady, who, however, was soon prepared to entertain her guests. Games were played and afterward a supper was served. The only drawback seemed to be a scarcity of young men, but as we have heard of no mishaps, we presume all arrived home safely. One conundrum remains unsolved: Who ate the cream pie?

The company packed their goods and left town yesterday morning.

BABY'S OWN TABLETS

Are Nature's Cure for Children's Ailments.

Medicines containing opiates should never be given to children—Little or big. When you use Baby's Own Tablets for your little ones you have a positive guarantee that they contain neither opiate nor harmful drug. They are good for all children from the smallest, weakest infant to the well grown child. These Tablets quickly relieve and positively cure all stomach and bowel troubles, simple fevers, troubles with teething, etc. They always do good, and can never do the slightest harm. For very small infants crush the Tablets to a powder. Mrs. P. J. Latham, Chatham, Ont., says:—"My baby took very sick. His tongue was coated, his breath offensive and he could not retain food on his stomach. He also had diarrhoea for four or five days and grew very thin and pale. We gave him medicine but nothing helped him until we gave him Baby's Own Tablets. After giving him the first dose he began to improve and in three days he was quite well. He began to gain flesh and is now a fat, healthy boy. I am more than pleased with the Tablets as I think they saved my baby's life."

Baby's Own Tablets are sold by all druggists or will be sent by mail post paid at 25 cents a box by writing direct to The Dr. Williams Medicine Co., Brockville, Ont., or Schenectady, N. Y.

Surgeons Blunder Operating for Piles.

The Risk, Pain and Expense of an Operation Avoided by Using Dr. Chase's Ointment—A Minister's Experience.

Too many doctors seem to have a mania for using the knife, and recommend operation for piles in cases of cases when Dr. Chase's Ointment would effect a thorough and lasting cure.

Rev. S. A. Duprau, Methodist minister, Concession, Prince Edward County, Ont., states:—"I was troubled with itching and bleeding piles for years, and they ultimately attained to a very violent form. Large lumps or abscesses formed, so that it was with great difficulty and considerable pain that I was able to stool. At this severe crisis I purchased a box of Dr. Chase's Ointment, but I had little or no faith in it, as I had tried various remedies before and to no purpose.

"Now, imagine how great and joyous was my surprise to find that just the one box cured me, so that the lumps disappeared, and also the external swelling. I feel like a different man to-day, and have not the least doubt that Dr. Chase's Ointment saved me from a very dangerous and painful operation and many years of suffering. You are at perfect liberty to use this testimonial as you see fit for the benefit of others similarly afflicted."

Dr. Chase's Ointment, 60 cents a box, at all dealers, or Edmanson, Bates & Co., Toronto.

Dreadful Kidney Pains. Could Not Rest or Sleep.

A. C. F. R. Conductor's Sufferings—He is Now Well and Gives Dr. Chase's Kidney-Liver Pills Credit for the Cure.

Mr. W. B. Berryman, Conductor on the C.P.R., St. Stephen, N.B., writes:—"I have been railroading for 23 years, and for ten years suffered from a severe case of Kidney Disease and Backache, a trouble common to railroad men. It used me all up to walk, and after walking up hill I would have to lie down to get relief, my back was so bad. I could not sleep more than half the night and then didn't seem to get any rest. I had used all sorts of medicines and was pretty badly discouraged when I heard of Dr. Chase's Kidney-Liver Pills. After using two boxes of this treatment I found it was helping me and five boxes have made a complete cure. I now rest and sleep well, my back is strong and the old trouble has entirely disappeared. Many people to whom I have recommended these pills have been cured. Anyone wishing further particulars write me. The sale of Dr. Chase's Kidney-Liver Pills far exceeds that of any similar remedy. One trial is enough to convince anyone that this is the greatest family medicine that money will buy. One pill a dose, 25 cents a box, at all dealers or Edmanson, Bates & Co., Toronto.
