

Pale, Thin, Nervous?

Then your blood must be in a very bad condition. You certainly know what to take, then take it—Ayer's Sarsaparilla. If you doubt, then consult your doctor. We know what he will say about this grand old family medicine.

This is the first question your doctor would ask: "Are your bowels regular?" He knows that daily action of the bowels is absolutely essential to recovery. Keep your liver active and your bowels regular by taking laxative doses of Ayer's Pills.

THE SPELLING MATCH

The interest aroused by our teacher,
Miss Kelly, in the spelling matches has
not abated in the least, as was shown
last Friday evening, when the entire
neighborhood drove to Addison to wit-
ness the second match of the season
between the two rival schools.

The result of the contest proved to
be a veritable Waterloo for the Glen
Buell knights. After a short and spicy
programme, spelling commenced with
Mr. Dowdley of Athens in charge.
As soon as Miss Kelly's array lined up,
Addison pupils appeared to lose all con-
fidence, and in less than an hour not
one of Addison's boys remained on the
floor, while eight from the fifteen
chosen from the Glen were still spelling.

After two such victories, the Glen
Buell spellers have no fear of any
school in the county, and should these
matches be continued, as we hope they
may, even the captain of the Glen Buell
knights will be able to spell anything
inside of a Webster's dictionary.

The captain of Glen Buell knights,
who runs the country store, reviews
and spells the biggest words used in
the Russian war.

White Wyandottes

While the majority of people
estimate the value of a hen according
to her ability to produce eggs or her
suitability for the table, there have
always been a few who delighted in
her beauty of form and feather. To
these few we owe the existence of
distinct species and productiveness
that has been effected. A few years
ago, Messrs. Wright Bros. of Brook-
ville decided to specialize in the
breeding of White Wyandottes and
their efforts have been attended with
great success. Their object was to
produce a beauty and utility bird that
would meet the views of both
fancier and farmer, and so thorough
and correct were their methods of
housing, feeding and mating that their
birds at once became recognized as
superior, and the "Wright strain of
Wyandottes" became known throughout
the province. They have been prize-
winners at Toronto, Ottawa, Montreal
and Sherbrooke. Any person intend-
ing to start in the poultry business
would do well to personally investigate
the merits of the Wright strain.

During the month of March Wright
Bros. shipped over one thousand eggs
for hatching from their White Wyand-
otte pens, and they have booked a
large order for the Government
experimental station.

When Rheumatism is torturing the
body the sufferer wants relief quick.
He does not want to be told that he is
suffering from uric acid

Rheumatism poison in his blood
when perhaps he knows
all the time that Rheu-
matism has been in his

family for generations, that he is pre-
disposed to it, that he got wet through
or chilled through the other day and
that at once his old enemy began
operations. He does not want to take
a lot of medicine into his stomach to
drive the pain away from his leg but he
feels as if he wanted something to go
right to the spot. This is where Tuck's
Bone Oil comes in. It is a powerful
penetrating oil that goes right to the
spot, goes quick and safe and sure. It
acts on the seat of pain and if used
according to directions will cure rheu-
matism. It has done it to hundreds of
others, it will do it for you. For sale

Men's Suits from \$8 to \$14

We call "United" brand, because a number of S.-R.
agents have "United" (joined together) and are buying
cloths direct from the old country mills, thereby saving
from 25 to 50 per cent on the cloth. They then get
Semi-Ready Co. to make up these cloths into suits.
The finished article is a "United" Suit—prices from
\$8.00 to \$14.00.

And, sir, if you purchase one of our "United" suits,
you are wearing clothes that cost you from \$3.00 to
\$5.00 less than you would have paid for them any
where else.

We don't ask you to believe this

but we ask you to find out for yourself whether it is
true or not. If it is not true, **we are liars,**
and you may call us such, if you find us to be such.

Every one of our United suits are made from old
country Bannockburn tweeds (twisted wool), and not
an inch of shoddy or cotton in a mile of the cloth.

We want to convince you

Are you ready? Are you?

United suits for men from \$8.00 to \$14.00.
Semi-Ready suits \$15.00 to \$30.00
Youths and boys (United) \$2.50 to \$15.00

We pay one way to Brockville
if \$10.00 of goods are bought.

sorb quantities of oxygen from the
air, thus making disease impossible.
Disease is forced out by the regenerat-
ing, vitalizing power of oxygen. Oxy-
donor causes the body to be cured and

air revives the drooping plant and
makes it grow. It conveys to the suffer-

ST. REX LUMBAGO CURE
AN INDIAN REMEDY.

Guaranteed to Cure Lame Back
or money refunded!
An excellent remedy for Rheuma-
tism, Lame Back, Etc., Etc.

Read the following testimonial from
a man you all know:

Mr. W. A. Singleton, Forfar, Feb. 6, 1906

Croby, Ont.
Dear Sir,—Being laid up with lame back, I
thought I would drop you a line to tell you
that your St. Rex Lumbago cure will do all
you claim for it, as I have only used part of the
bottle and I feel no returning symptoms of the
disease.

I may say I have been troubled with lame
back for the last ten years, and tried several
other patent medicines but without result.
I can heartily recommend it to any troubled
with lame back, and I feel safe in saying that
it's the cheapest medicine on the market.

Yours Truly,
JAMES McCUE
