THE ACADIAN.

WOLFVILLE, N.S., MAR. 2, 1900.

Local and Provincial.

The Acadia Athletic Association is to hold a reception in College hall this evening.

The Art Association will meet at the home of Mrs. Tingley on Saturday afternoon at 3 o'clock.

Those who fail to attend the patriotic concert next Friday evening will miss a big treat, and besides show their lack of patriotism. All who can should be there.

A southerly gale accompanied by rain on Sunday completely spoiled the sleighing and did considerable damage to the roads. The wind was said to be the heaviest for years.

Rev. Geo. McMillan, of Kentville, occupied the Presbyterian pulpit here last Sunday morning and evening and gave two excellent sermons. Next Sunday Mr. Baird, of Pine Hill College, will preach.

The quadrille club held its last dance before Lent on Friday evening last. There were about eighty-five present, including a number from Kentville, Canning and Port Williams, and a very pleasant time was had.

The ACADIAN has on several occasions had occasion to refer to the faulty and original drawing of the show windows of Mr. H. W. Davidson's grocery. We understand that on Monday next there will be presented a miniature of the old Dutch church at Halifax, which will no doubt be very interesting and attractive.

Early last Friday morning a barn at Lower Wolfville, belonging to Mr. Geo. Brown was destroyed by fire. The fire is supposed to have been caused by lime in the barn getting wet. The loss is a heavy one as the barn contained about twenty-five tons of hay, a quantity of grain, farm utensils, etc. There was a small insurance.

Our clever young townsman, Mr. Ralph Jones, son of Dr. R. V. Jones, has executed a number of original and exceedingly well drawn cartoons illustrating the present war situation. Several of these have been posted in the windows of the telephone central and have received a great amount of attention. Mr. Jones has certainly a large amount of talent in this direction, and we have no doubt but that he would be attended with much success if he should adopt this line of work.

The Wolfville Whist Club held its last meeting at the home of Mrs. C. R. Burgess where a very enjoyable evening was spent. There were about fifty present. Miss Gladys Starr won the lady's first prize, Mrs. J. E. Hales the second, and Miss O. H. Borden the baby. Mr. Earl Burgess won the gentleman's first and Mr. J. D. Leavitt the boy. The club voted the sum of \$10.00 to the B. Company fund of the Halifax Herald. The cash club's meetings for the season.

Some weeks ago, Mrs. Hutchinson, of the Valley Telephone Company, procured a bulletin board and has since been posting all the latest war news as received by telephone. This has been much appreciated by all our people, but it is believed for one generous woman Mr. J. W. Bares to make tangible expression of appreciation by voluntarily assuming all expense in connection with the procuring of the board. Mrs. Hutchinson wishes the ACADIAN to sponsor her thanks.

The Wolfville junior hockey team went to Kentville on Wednesday evening and played a game with the juniors of that place.

Hon. David McPherson, of Halifax, was elected president of the Yarmouth Steamship Company at the annual meeting of the company held last week.

DEAN MA EDISON.—With regard to the Patriotic Concert to be held in College Hall on Friday, the 9th March, I would suggest to parents, so far as they are able, and a point ought to be stretched, to take with them their children down to the youngest, who can enjoy the entertainment, the girls especially, as I think the seeds of patriotism cannot be planted too young in the minds of those who will take our place in this sphere in later years.

Yours for loyalty,
FRANK A. DIXON.

The remains of Mr. Ward Eaton, of Centerville vicinity, were interred in the Billtown cemetery last Sunday afternoon. He had gone for a load of wood, and not returning, Mr. Manson went in search and found him in an unconscious condition. Whether he had fallen from his sled and received the injury or whether it had been caused by a kick from his horse, is unknown. There was a wound in the temple. He expired soon after being brought to his home. He was 71 years of age.

All London correspondents in the field unit in praising the gallantry of the Canadians under the hottest fire and in the most trying situations. "The London Globe, editorially," says: "It is a hard saying, but the foundations of Empire must be cemented in blood. The men, drawn from every class and from every quarter of the globe, who have fought and fallen side by side, are teaching a lesson to the world which foreign nations have grasped even more rapidly than ourselves. It is a revelation that the British Empire is held together by the strongest of all ties—by the resolution of the Colonials to lay down their lives for their Queen."
