Acadia scored a try early in the game but were unable to convert. The final score stood Acadia 3. Kings 0. A return game was played on the Campus Wednesday afternoon. In spite of the wet weather a large crowd turned out to witness the game. The result was another victory for Acadia, the score being 10 to 0.

The Kings Collegiate football team also visited Wolfville on Wednesday and lined up against the Acadia Collegiate players. This game resulted in a win for Acadia, the score being 9 to 3.

## Will Close Camp Hill Hospital in November.

The extensive buildings erected on Camp Hill, Halifax, for military hospitals, and affording accommodation for 600 patients are to be closed as a hospital the middle of November. There are only a comparatively few patients now and they can all be taken care of in Rockhead and the old Cogswell street hospital, the building in use before the war. The Camp Hill buildings will be taken over and used as barracks by the Wellington barracks.

## Baptist Women's Missionary Convention

The 49th Annual meeting of the Baptist Women's Missionary Union of the Maritime Provinces took place in this town on Wednesday and Thursday, the 15th and 16th of October. About 275 delegates were present and a large number of guests. The homes of Wolfville were most generously opened to entertain these women and all expressed the opinion that they were royally welcomed, and shall always remember with pleasure the unrivaled beauties and hospitality of our town.

An Executive Committee of about 30, held meetings on Tuesday. On Tuesday evening an informal reception was held, the church was crowded and all had a most enjoyable time. The officers of the Union were introduced and the President, Mrs. I. Hutchinson, of St. John, spoke a few words on their behalf. The new pastor, Dr. McDonald, and wife were called to the platform and spoke briefly, also the missionaries present, Miss K. Armstrong, Burma, the daughter of Mrs. H. M. Armstrong, the founder of the first Woman's Society in Canada, spoke touching of her mother's death and the work she so much loved. Mrs. Fisher gave a piano solo, Miss Prescott sang and Mrs. Ford gave a reading, all of these were greatly enjoyed. After greeting old friends and a general good time the social closed.

On Wednesday morning the Convention opened with a service led by Mrs. O. Chipman. Most encouraging reports were presented from all departments of the work in New Brunswick, Nova Scotia and P. E. I. More money was raised this year than ever before for both Home and Foreign Missions, a total of \$44,000. An address of welcome was given by Mrs. Alice Grant and responded to by Mrs. P. C. Reed, of St. John.

The Greetings from other Societies were given by Mrs. Watts for the Methodists, Mrs. Moore for the Church of England, Miss A. Blackadar for the Presbyterian, all of which were greatly appreciated. Mrs. Eve'igh, of Sussex, gave the response. A review of the Study Book, The 'Ministry of Compassion', was presented by Miss Esther Clark assisted by some College girls also a 'Candle Talk' on Christ the Light of the World, by Miss Gladys Masters. These were very helpful and will not soon be forgotten. 'Tidings', the organ of the Union, reported 10,000 subscribers, some Societies having doubled their subscriptions and others greatly increased them the past year.

The platform meeting on Wednesday evening was much enjoyed. A large audience listened in wrapt attention to Mrs. Prossor on Maritime Home Missions. Dr. Patterson, of Winnipeg, who gave a thrilling account of the great opportunity and need for mission work in the West, hundreds of School Sections without teachers, churches closed during the war not yet opened, a most urgent call for men and money to undertake this work now. Then came 'A Call to Young People' by Mrs. Edna Wilson, Woodstock. This address will linger long in our memories and hearts, it was both eloquent and inspiring. Mrs.

Black, of Windsor, sang a beautiful solo and the choir rendered good service.

On Thursday morning the Convention were invited to attend Chapel Service in College Hall. It was an inspiring sight to see about 600 students and 400 women. Mrs. W. G. Clark and Dr. McDonald were the speakers. Many mothers will carry away that sight and it will continue a blessed memory in all hearts.

This is the Jubilee year of the Baptist Missionary Union. Many plans were made for advanced work, among them the raising of \$50,000; The organizing of 'The World Wide Guild' for young women, Mrs. Edna Wilson has charge of this important work. A dainty and beautiful supper was beautifully served in the church dining hall to about 400 delegates and friends on Thursday evening, this was much enjoyed by all. It was under the leadership of Mrs. Wheaton.

The crowning service was held Thursday night—A farewell to our Missionaries. Miss Blackader, Mrs. Gordon Bars, Dr. and Mrs. Perry Eaton, Misses Machum and Eaton, all these gave expression to their feelings of loyalty to the mission work and delight at the prospect of going to their chosen field of labor, three go to India for the first time, eighteen leave for India this month under the Baptist Foreign Mission Board. Mrs. M. C. Higgins gave the farewell message from our Union, Mrs. Hobbs sang a beautiful solo. A memorial service was held for those who had been promoted during the year, 76 names were

read, among them the first President of our Union, Mrs. M. Williams and the founder of our Society, Mrs. W. F. Armstrong. Miss Armstrong gave a parting message from her mother to the Union, and other loving tributes were paid to this consecrated woman, her picture hung over the platform and the floral decorations were very beautiful.

The Convention was pronounced by all present a great success and we want to extend our hearty thanks to all who so willingly and generously helped to entertain.

## Ontario Elections.

The result of the Ontario elections on Monday was the defeat of the Conservative government of Sir William Hearst. The premier and three cabinet ministers were defeated. Hartley Dewar, the leader of the Liberal party, was elected in Toronto. The election was a win for the United Farmers of Ontario, 42 of their candidates being elected. The Conservatives won 27 seats, the Liberals 28, and Labor 11. There was also one soldier and one independent Liberal elected. The results of the referendum on the Ontario Temperance Act are still indefinite, but judging from the returns so far received the prohibitionists will have a majority of about one hundred thousand.
