COULDN'T PLAY SUNDAY BASE-BALL IN BOSTON

Police Awed Teams Ready for the Game, But Manager was Arrested.

Boston, Sept. 18.—Boston's puritanical laws met the Sunday base ball question fairly today and won out, and the first organized attempt to play a scheduled game on the Lord's day failed. Eugene O'Connor, Jr., manager of the All Church League team of Jamaica Plain, was arrested, and the case will be threshed out in court tomorrow.

A game between the All Church League and a team from Fort Banks at Revere has been advertised for several days, to be played at Jamaica Plain, and a quasi permit for the affair secured from the deputy superintendent of police. When a thousand or more spectators had gathered for the game and admitted free to the grounds, the police of division 13 showed up. The Fort Banks team refused to go ahead with the game. The All Church League team also held back, and Manager O'Connor donned a base ball suit and batted a home run over the fence. He was at once arrested.

The All Church League team claimed to have the backing of a large number of citizens and several clergymen in their endeavor to promote Sunday baseball in Boston.

AERONAUT TO TRY PERILOUS FEAT

Will Start Today a Flight Across the Simplon Pass to Italy.

Brig, Switzerland, Sept. 18.—The cross-Alps aeroplane flight from this place over the Simplon Pass to Italy, which was scheduled to begin today was postponed until tomorrow. The local authorities declined to allow the aeroplanes to depart before noon on account of a religious fete held in honor of a local Swiss hero, and the race committee announced a postponement. Two thousand spectators had assembled in the aerodrome, which is located on a plateau about 900 feet above sea level, and they strongly manifested their discontent over the disappointment, some of them demanding the return of their money. Many of the visitors even went so far as to assert that it was a trick to keep the crowds here.

A MIRAMICHI MOOSE

Crippen Trial is Sensational

Miss Leneve's Former Landlady Tells of a Conversation Which She Had With The Prisoner.

London, Sept. 19.—Something of what Ethel Clare Leneve suffered as, half mad with jealousy, she impatiently awaited the fulfillment of Dr. Hawley H. Crippen's promise to make her his wife, was revealed at today's session of the inquest into the death of Belle Elmore, with the murder of whom the doctor and his typist are jointly charged.

In her distress, Miss Leneve confided in her landlady, Mrs. Jackson, and the story that the latter told on the witness stand rivaled the most sensational evidence introduced at the murder trial. Mrs. Jackson said that the accused girl gave up the room which she had occupied at the home of the witness on March 12, explaining that she was leaving to be married to Dr. Crippen. Until the first week in February Miss Leneve had slept regularly at Mrs. Jackson's. After that she stopped at the house only occasionally. She said that she spent the other nights at the homes of friends. On one occasion, Miss Leneve mentioned having been at the Hill Drop Crescent, the home of the Crippens, early in February, to help the doctor in a search for a bank book which showed an account of \$1,000. She added that a diamond tiara and rings had been found in the home and that the doctor had raised \$850 on these.

About the middle of February, the witness said, Miss Leneve appeared miserable and depressed. Such was her state that Mrs. Jackson followed the girl to her room to learn if possible the cause of her trouble. Miss Leneve, the witness said, was in a terrible state

of agitation. Her eyes seemed fairly starting out of her head. The landlady insisted on an explanation telling the girl that she must have something awful on her mind to be in such a condition. The witness testified that the other replied:

"Would you be surprised if I told you that it was the doctor and Miss Elmore? He was the cause of my trouble when you first knew me. She is his wife and when I

E. J. PERRY CUT WOMAN'S THROAT AT TRURO N. S.

Gave Himself up to Police and Claimed he Acted in Self Defence.

Truro, N. S., Sept. 19.—What looks like a case of desperate murder came to light this morning at four o'clock when E. J. Perry gave himself up to the police. He told a story of having been attacked by Mrs. Maud Wright in her house on Foundry Hill, and killing her in self defence. The woman's body was found covered with blood and with her throat cut from ear to ear.

Perry exhibited cuts on his wrists and throat to substantiate his story of the attack, but the cuts appear to be self-inflicted.

The Wright woman has led rather a checkered career, and her husband is said to be living in the west. Perry belongs to Charlottetown, P. E. I., but has been in town all week. The deed, the outcome of which will likely result in a charge of murder against Perry, was the result of jealousy.

It is the opinion of the doctors that the woman was killed Saturday night though nothing was heard of it until early this morning. Three razors were discovered in the house, and Perry is said to have borrowed a couple of them from a neighbor yesterday.

When a reporter visited the house the upstairs portion was in a topsy-turvy condition and the room in which the crime was committed was covered with blood.

The inquest will be held this afternoon at two o'clock, when some interesting evidence will be heard.

Mrs. Clifford Sullivan of Boston, is visiting her brother, Lawrence Coughlan of Nelson, N. B.

Mrs. H. B. Anslow and children have returned from Taymouth, Yeck Co., where they were visiting Mr. and Mrs. Wm. Munroe.
