Must Raise \$10,000 in Fifteen Days

Necessity Knows No Law !!! Must is master Now !!! We must raise \$10,000 it fifteen days !!! The only way to do it is to convert our stock into cash. Thus! if low prices and high quality merchandise are what the people want, we are doubly assured of success. If service and seasonable goods are what the public demands, we shall treble our objective. The majority of the lines that are advertised here have been especially purchased for this sale. Do not be put off by false statements. Investigate the truth of these values yourself. Be your own judge.

*We have always up held our advertising with the goods.
