Special Evening Telegram, NEW YORK, Oct. 22.

Campaign managers are revising plans and altering arrangements for the wind-up of the Presidential fight. The injury to Roosevelt, the voluntary withdrawal of Governor Wilson from the stump, and the fact that neither President Taft nor Vice-President Sherman have taken part in the active work of the campaign, have resulted in changing the plans of all three of the chief political camps. The ensuing two weeks will witness the concentration of activities into sections where the respective campaign managers believe the outlook to be the most favorable for the capture of disputed ground. Governor Johnson, the Progressive Vice-President candidate, is to fill in most of Roosevelt's proposed engagements in the East, and the Democratic leaders are rushing a number of their chief speakers into Pennsylvania and New York State to take up the work originally planned for Governor Wilson. The Democratic campaign will centre from Pennsylvania, from this time forward. According to statements made here, a score of Democratic Senators and Congressmen, who have been speaking throughout the country, will be sent into the State this week. In the hope of making inroads on heretofore solid Republican ground. The Republican fight also is to be quickened in the East, with a concentration of forces in New York State. Secretary of State Philander Knox is to deliver a number of speeches in Eastern cities, including Buffalo and New York. It is expected that Senator Lodge and Naval Secretary Meyer will join the Republican speaking force, which already includes Secretary Nagel.

Special Evening Telegram, PARIS, Oct. 22.

Fears, expressed in Constantinople, of possible aggression by Russia in Transcaucasia, while Turkey's hands are occupied in the Balkans, are not shared by the French Foreign Office. All the Powers, both the Triple Alliance and the Triple Entente, remain united in their determination to localize the fighting and end the war at the earliest moment. Mediation at the first opportunity has been decided on and in the opinion of diplomats this may come after the great battle which will, doubtless, be fought around Adrianople. It is expected that the battle will be so far reaching as to leave both sides weakened to such an extent that European intervention will be welcomed.

HALIFAX, Oct. 22.

During a dense fog this morning, the Dartmouth ferry boats, Dartmouth and Chebucto, were in collision on the Halifax side. The Chebucto broke into the Dartmouth's starboard side, breaking the guard and a portion of the paddle box. In backing away, the Chebucto hit Pickford & Black's chartered steamer Anita, lying at the Furness pier, bow on, denting the plates and buckling her own stem also slightly injuring the Furness Pier. No one was injured.

### A Sour, Gassy, Upset Stomach.

"Pape's Diapiesin" regulates your stomach and ends indigestion in five minutes.

Wonder what upset your stomach--which portion of the food did the damage--do you? Well, don't bother. If your stomach is in revolt, if sour, gassy and upset, and what you just ate has fermented into stubborn lumps; your head dizzy and aches; belching gases and acids and eructations; food; breath foul; tongue coated--just take a little Diapiesin and in five minutes you truly will wonder what became of the indigestion and distress.

Millions of men and women to-day know that it is needless to have a bad stomach. A little Diapiesin occasionally keeps this delicate organ regulated and they eat their favorite foods without fear.

If your stomach doesn't take care of your liberal limit without rebellion; if your food is a damage instead of a help, remember the quickest, surest, most harmless relief is Pape's Diapiesin which costs only fifty cents for a large case at drug stores. It's truly wonderful--it digests food and sets things straight, so gently and easily that it is really astounding. Please, for your sake, don't go on and on with a weak, disordered stomach; it's so unnecessary.

NEVER SPOKE AFTER--Mr. Dwyer, carpenter, Street, St. John's, who passed to the Great Unknown yesterday, never spoke since he was suddenly stricken with paralysis on Friday last. Deceased resided at advanced age and was a life-long member of the Mechanics' Society, and the members of this fraternity will attend his funeral which takes place to-morrow.

## Reception at Wabana House.

Dominion Officials Celebrate in Honor of Mr. and Mrs. J. J. McDougall.

The officials of the D. I. & S. Co., Wabana, held a most enjoyable reception at the "Wabana House"--the staff house of the Dominion Co.--on Friday evening last in honor of Mr. John J. McDougall and his bride, who have recently returned from Glace Bay. The officials of the Co., their wives and lady friends, numbering about 50, were present, and a most enjoyable time was spent till the wee small hours of the morning. At 9 o'clock on arrival of Mr. and Mrs. McDougall the reception was opened. The manager, Mr. T. A. Bown, heads of department, and the entire staff being present. On behalf of all the officials of the Co., Dr. Gouthro read a beautifully illuminated address, the clever work of Messrs. Leo Murphy and F. F. Jardine, which he presented to Mr. and Mrs. McDougall, and John B. Murphy on behalf of the staff then formally presented to the bride and groom, two magnificent chairs, as a wedding present from the Dominion staff of Wabana mine. Mr. McDougall in accepting the address and present thanked the previous speakers for their kind words, which he was assured re-echoed the opinions of all the staff. He thanked them most cordially for their magnificent gift and beautiful address. He thanked them for the pleasant reception now held in his honor, and for the warm welcome extended him and his bride on arrival last week, when at much inconvenience the staff met them with a special steamer at Portugal Cove.

Mr. Joseph M. Greene had then much pleasure in reading aloud telegrams received from several distinguished persons in Newfoundland and Canada who were unable to attend and conveying their congratulations to Mr. and Mrs. McDougall.

This feature of the programme being over fruit and refreshments were served after which dancing began and continued till midnight when coffee was partaken of and after a short interval dancing was again resumed for a few hours, when the gathering dispersed, after another of those warm-hearted hospitable times, for which the "Dominion Boys" are so noted.

The following committee of the staff successfully conducted the affair:--Dr. Gouthro (President), Mr. J. M. Greene (Secretary), Messrs. A. McDonald, J. B. Petrie, J. B. Murphy, Leo C. Murphy, Jas. Kennedy, R. Burnham, F. F. Jardine.

## Bell Island Gleanings.

Messrs. J. M. Kent and John Dwyer representatives of Parliament for St. John's East, in which Bell Island is an important factor, visited the island during the week, and received a warm welcome from their many old friends. Mr. John McDougall and bride recently arrived from Glace Bay. They have taken up their residence in Midwood Avenue.

Mrs. Mark James, who has charge of the Dominion Co.'s staff house, arrived by the S. S. Storstad, after an extended visit to her son at Parry Sound, Ont. Mrs. James also visited Montreal and spent some time in Sydney and Glace Bay.

We are pleased to know that the Rink is well under way, the foundation is finished, and wood work begins in a few days. We hope to see this building finished and ready for opening about Christmas, and bespeak for it a large patronage, as skating is one of the most wholesome and healthy of pastimes. What would the Directors think of forming a Curling Club in connection with the same? We think it would be a good plan.

Mr. Wm. Slemmon, of the Nova Scotia Accounting Dept., is enjoying a well earned vacation with his people at Placentia.

We welcome the Bank of Nova Scotia and its manager Mr. Butler. This branch ought to prove a great benefit to the people of the island in general.
