Easter BACON

It is not the intention or desire of the W. P. A. or Food Control Board in advocating the restriction of the use of Bacon to ask you to do without this satisfying foodstuff altogether. It is merely a request to "let up" on your usual consumption to some extent in order that war stocks may accumulate for the Allies. Realizing the fact that most of our customers would find it

A Great Hardship To Do Without Our Delicious "Berkshire" Bacon Entirely.

we imported a small shipment to-day and are fully prepared to fill your Easter order promptly, and at Lowest Prices.
