Owing to ill health I have given up work of an indoor nature in the Monumental and Headstone line. I desire very much to thank all the people over all the country who have been so kind to me during all these years of business activities with

I shall always be ready and willing to give as far forth as my humble abilities allow to any of my old patrons if at any time they may need it in selection of Memorials. Though I cannot work indoors, yet I shall be open to negotiate for and erect any Public or Private Memorial and shall superintend same with that customary care as given by me in the past. Again thanking all my friends,

It is false economy to postpone painting your property. Marr, many months—perhaps years—must elapse before paint will return to 1913 prices, if ever. Meanwhile the wear and tear of weather is working more harm than any future reduction of paint prices would cover. Insure your house against decay by painting it with Matchless Paint.
