GEORGE NEAL, Ltd.

THE PANIC OF 1907.

Did not offer opportunities similar to the present for profitable investment. It is true this is the second opportunity since that date to invest in high class securities at fortune-making prices. Don't wait another twenty years for a similar chance but examine closely the investment offerings of to-day in railroads, oils, mines and industrials, and acquire sufficient of these low-cost, high-grade, dividend-paying issues to ensure monster profits when the market commences to register the inevitable advance.
