

Low Price on Garden Seeds

We placed our order for this year's Garden Seeds last July. Since then some varieties have advanced in price fully 50 per cent. but as long as our stock holds out we will sell at the old prices which are in some cases 35 per cent. less than the present whole-sale market price. Take this tip from us. Buy Mangel, Sugar Beet, Turnip, Corn and all Garden Seeds early. Make out your list and get them at once.

WALL PAPERS

"Don't buy before seeing Caughell's Samples"—We've still great values in Remnants. We will get you a paper hanger if you wish.

RETIRING FROM BUSINESS IN AYLMEY

We have decided to sell our entire stock at cost price, and in many instances below cost. It is well known that we have always bought first-class stocks at a very low rate on the dollar, far cheaper than many merchants could possibly buy. We are now offering to the public our entire stock at cost price. These prices are not this year's, but last year's and two year's ago. This is not an ordinary so called sale, nor merely a reduction in prices; we are going out of business in Aylmer and want to sell our stock to save expenses of moving it elsewhere. Here is the chance in a lifetime! Do not miss an opportunity to dress the family out at one-third of what it would cost if you bought elsewhere. Opportunity knocks once at your door. Do not allow it to pass you by now.

\$5000.00 SHOE STOCK \$5,000.00

THE ONLY REASON for this great sale is that we are leaving Aylmer, we need the money and want to save the trouble and the expense of moving the stock elsewhere. You can get 2 pair of shoes here for the price of one.
