

The Tecumsehs Had Little Difficulty In Taking Second Game From Petes

MATT HYNES HEAVED SHUT-OUT BALL AND INDIANS BEAT PETES

Palmerston Puzz'e Was in Fine Working Order and He Held Tailenders to Three Hits-Cocash's Fielding Was the Feature of the Gaine.

Matthew Hynes, Esq., who is doing his best to make Palmerston famous, was in a rollicking mood on Saturday, and delighted himself by making some of the hired men employed by "Old Folks" Templin to play baseball for Peterboro the hired men employed by "Old Folks" Templin to play baseball for Peterboro look as harmless as a deaf and dumb lady at a meeting of militant suffragettes. MR. HYNES HURLED SOME.

As mentioned above, Mr. Hynes was quite the whole performance. The big boy's arm has been giving evidence of kinks and other allments of late, and he has not been showing the form of the early season. However, the warm weather has not been showing the form of the early season. He had removed the uric acid, and then Matthew demonstrated something. He had everything that a real pitcher needs, curves, steam and almost perfect control. Everything that a real pitcher needs, curves, steam and almost perfect control. COCASH'S SOME OUTFIELDER.

Of course, there were some stellar features, particularly on the part of the home folks. Mr. Cocash, who can pick a fly off the sun, imitated some of the home folks. WITH TECUMSEHS ON THE WARPATH

Cocash is playing brilliant ball at this moment, and few in some of the bigger leagues are showing anything on this lad. He is a great judge of a fly ball, throws well to bases, and is a dangerous hitter. "Coke" had a great day Saturday. His error was a bad throw made to first in a hurry after a marvelous catch. It was simply a piece of hard luck, and cost to the same transfer in the

Looey Bierbauer is hitting like a streak and is showing the form that made him the best hitter in this league last year. Te is fielding in brilliant fashion, too.

Mr. J. Ira Davis, the umpire, made himself solid with the crowd, and there was little chance to dispute his decisions. He is quick and accurate and missed lit He is quick and accurate and missed little. And still, the report is in circulation that he is going to be let out, because some of the disturbance makers in the league do not like him. Now, had London made a kick, he would likely have been left here all season, almost as Mr. Johnston was. We have a notion to raise the yell, so he would tarry. We like this lad.

After the third inning, Peterboro did not get anything that had the faintest

resemblance of a hit off Hynes. The Tecumsehs had but three men left on bases. The hit needed to chase them around was generally on hand.

"Old Folks" Templin has signed up with St. Thomas. He is far from being done as a ball player. As a manager, however, he did not shine as was pre-

Four Londoners, Bierbauer, Cocash, Speer and Hynes, did all the hitting for the team. Looey got nearly half the bingles.

WASHINGTON TEAM ARRIVES HOME AFTER RECORD TRIP

[Canadian Press.] Washington, D. C., June 17 .- The Washington American League Baseball Club got home today from its western tour of sixteen straight victories. Walter Johnson, the pitcher, is ill, threatened with tonsolitis, and was ordered to bed. He will not be in tomorrow's game with the Athletics. A line of fans half a mile long today awaited the opening of the sale of seats for tomorrow's game, and at 10 o'clock three thousand reserved seats and all the boxes had been sold. President Taft and Vice-Presi-Sherman, both enthusiasts, will attend the game. All official Washington promises to do the same.
