INTERMEDIATE O. R. F. U. TEAMS DECIDE ON DATES

At a meeting held at the headquarters of the 19th Battalion yesterday afternoon the schedule for the local series of the Intermediate O. R. F. U. was drawn up. Although the 11th Battalion was not represented, Dr. Neville of the Western University drew up a schedule which will be submitted to the 11th for approval.

As Tecumseh Park will be in use for the next two Saturdays, it was decided to hold a game about the middle of each week, so that it would not interfere with leave granted to the battalions.

It was decided to grant Sarnia a bye in case the followers of rugby there wanted to get up a team. Bill McCart has the nucleus of a team of fourteen in the Tunnel City and will probably whip the boys into line.

Following is the schedule adopted at yesterday's meeting:

Nov. 1—11th Battalion at 14th Battalion.

Nov. 11—14th Battalion at Western University.

Nov. 14—Western University at 11th Battalion.

Nov. 15—14th Battalion at 11th Battalion.

Nov. 21—Western University at 14th Battalion.

Nov. 25—11th Battalion at Western University.

Sarnia—a bye.

MED. 1916 CHAMPION OF WESTERN ATHLETES

Wortman Rolls Up Thirty Points in Annual "U" Field Day and Captures Mel Brock Shield.

The Western University field day was held in Tecumseh Park yesterday afternoon before one of the smallest crowds that ever turned out to watch the Meds and Arts perform. It was also one of the chilliest days on record, the small band of spectators shivering through three hours of fairly good sport.

Wortman Champion.

Charlie Wortman, of the Meds, won the individual championship hands down, and then some. Charlie rolled up 30 points in his afternoon's efforts. Art Brickenden, of the Arts, being next, with 17 points to his credit. The Meds walked away with the big end of the performance, grabbing 78 points to the Arts' 23, thereby nailing the championship to the wall by 45 points.

"Bricks" Springs Surprise.

The events were well filled, two hours being run in the majority of the time. Art Brickenden was the surprise of the afternoon. "Bricks" took three firsts, the 100 yards, shot-put, and the 220-yard dash, as well as third in the standing broad jump and hop, stop and jump. With a little more training, "Art" who weighs in the neighborhood of 200 pounds, would have made things look interesting for the one Charlie Wortman. However, the aforementioned Charles proved beyond a doubt that he is the best athlete in the city at the present time by his good, all-round work.

A funny stunt was pulled off in the pole vault. Bill Elgie was the only man who seated the tape at six feet, all the other entries failing to make the grade. In the vault for second place the tape was shoved up to six feet three inches before Charlie Wortman was declared winner over Stokopf. The medal goes to Elgie, even though he did not get as close to heaven as the other two.

Bill Has Luck.

Bill Anderson ran into some hard luck in the hurdles. Bill had the race pinned, but touched the top of the last hurdle and hit the dust.

The race between Robinson and Johnston in the half-mile was the biggest thriller of the day. Robinson set a fast pace at the start. Johnston passing him half-way round the track. "Robby" came back with a vengeance and passed Mr. Johnston, although not before a hard fight, and won out with a few feet to spare.

Medals Presented.

For the first time in the history of the college the winners were presented with medals struck by the college. After the sports were concluded Dr. Neville made a delayed pass to Charlie Wortman of the Mel Brock shield, emblematic of the college championship. Charlie bagged it nicely, and with a polite bow to the J.

NEWS TO "MOONEY"

"All news to me," was the way "Mooney" Gibson characterized the report from Toronto that he would probably manage the Toronto Leafs in the International League next year.

"Wouldn't you like to manage the Leafs?" was asked.

"Well, that all depends," said "Mooney." "In this game you go where you are sent, whether you like it or not. It's a business proposition, pure and simple, with me. Will you go where I can pull down the most money. I wouldn't mind handling the Toronto team, though, providing the coin is there."

BASEBALL HEADS GO INTO CONFERENCE AT CHICAGO

A. Herrmann and Ban Johnson Will Discuss Affairs in Secret Conclave.

Chicago, Oct. 27.—August Herrmann of Cincinnati, chairman of the National Commission, is in Chicago today for the purpose of holding a conference with Ban Johnson, president of the American League, and member of the National Commission, and other baseball men.

Mr. Herrmann would not say what brought him to Chicago at this time, but it was understood that the proposal of Barney Dreyfuss of the Pittsburgh Nationals for a new National Commission would be one of the subjects taken up at the conference.

EAGLE FINISHES LONG WALK BUT COIN IS NOT TO BE SEEN

Wears Out 35 Pairs of Shoes in Lengthy Hike Across Continent.

Chicago, Oct. 27.—Clarence White Eagle, Comanche Indian, is in Chicago today at the end of a 13,000-mile walk, for which he said he was to receive a prize of \$10,000, but he had been unable since his arrival yesterday to find the men who were to pay him the money.

White Eagle and two companions left Chicago on October 15, 1915, walked to New York and back to San Francisco, where the companions quit and the Indian finished the trip alone. He said that he had worn out 35 pairs of shoes on the journey.

PUBLIC SCHOOL SPORTS HELD THIS AFTERNOON

Youngsters of the public school took possession of Tecumseh Park in masses this afternoon at the annual public school field day. The rain earlier in the day sent the hearts of the kiddies "way down deep in their boots," but they cheered up considerably when told that the program would be run off as per schedule. Competition between the various schools was keen.

WELSH TRIMS WARD.

QUELAWA, Oct. 26.—Freddie Welsh, lightweight champion pugilist of the world, was to have fought Eddie Condon, of New York, here tonight. Condon failed to show up, and Young Mike Ward, who was substituted, proved no match for Welsh. The fight was stopped in the fourth round after Ward had taken the count several times.

BUT IS IT PLEASING?

It was a year of upsets and cat-clysms, but we are pleased to note that the Federal League ball park in Newark glared at passing Pennsylvania express with undiminished self-complacency.

KID WILLIAMS WINS.

BALTIMORE, Oct. 26.—Kid Williams, world's bantamweight champion, outpointed Al Shubert, of New Bedford, Mass., here tonight in a ten-round bout.

McKenzie and Baker Ready For Big Scrap

Three Good Bouts on Calendar for Tonight at the Masonic Temple—West and Wainwright Are in Good Condition.

London fight fans have seen several good bouts staged since the S. P. A. received its permit to hold boxing exhibition, but the bill that is to be put on tonight at the Masonic Temple by Matchmaker "Kid" Zaccano promises to have more real scrapping wedged into it than any of the previous ones.

Baker vs. McKenzie.

Sammy Baker of Buffalo and Billy McKenzie, champion lightweight of Canada, will go ten fast rounds, as will Earl Wainwright, Zaccano's sparring partner, and Billy West of Cleveland. Cookson and Trudell will slug each other for eight rounds.

Baker is termed a regular fighting machine by those who have seen him in action, and is a puncher of no mean ability. He comes here with a good record, having cleaned up on all the good boys of his weight around Buffalo. He has been the sparring partner of Jimmy Duffy, American light-weight champion, for three years. Jimmy thinks a lot of the lad, and picks him to reach the top of the heap in a short time. He will arrive at noon today. Some of the men Baker has boxed are, "Rocky" Kansas, Tommy Hanna, Eddie Forest, and Special Delivery Hirsch.

Finish Training.

McKenzie and West finished their training at the S. P. A. yesterday afternoon, both declaring that they are in the pink of condition. There were a number of fans present to watch the boys work out. Billy has knocked out eleven men in 20 battles, and has yet to be defeated. Some of the men he has trimmed out around Winnipeg are Johnny O'Leary, "Knockout" Finnegan, Harry Anderson, "Young" Gallet, "Red" La Valle, "Dolly" Hayes, Bob Spencer, "Red" Moore and "Lord" Strang. Billy states that Baker will have to wait to pretty quick time if he hikes for Buffalo with the decision. McKenzie is also sweet on West.

"I tell you, if this Wainwright trims little Billy he is some boxer. I don't think that he can do it." On the other hand, Zaccano, who has Earl under his wing predicts a win for his man. "Nothing to it but Wainwright," said the kid, "although I admit that West is a good puncher."

ONE OF THOSE FREAKS ATTELL IS COMING BACK

Did you ever hear of a batter being put out, shortstop to left fielder? Well, such a play actually occurred in a game in Boston between the Braves and the Dodgers.

One of the Dodger batters hit short left. Maranville ran out for it and the Boston left fielder came in. Just when it seemed that the ball would drop between them because neither was close enough to make the catch, Maranville dove at the ball and batted it directly toward the left fielder, who made the catch. Naturally, Maranville was credited with an assist on the play.

Star Player of Western Rugby Team Inhales Formaldehyde, Which Friend Innocently Hands Him Soaked in Handkerchief.

Art Smith, coach and captain of the Western University rugby team, had a narrow escape from being poisoned yesterday afternoon. Smith finished the run a winner, but almost suffocated. He was rushed to the hospital, where first-aid was administered. It was found that his friend had grabbed up an old handkerchief soaked in formaldehyde, shoved it in the water pail and presented it to Smith.

Smith was feeling better last night, but stated that he is through with water imbued through a handkerchief.
