Special to The Advertiser. City, July 20.—The difference be-Lefty Thomas and Coopan as Bay City, July 20.—The difference between Lefty Thomas and Coogan as pitchers decided the ball game at Clarkson park Monday. Thomas was effective, had worlds of stuff on his curves and pitched good ball. The London selection was in poor form, and therein lies the reason for the Pack's triumph over Baker's hired help, with figures of 8 to 4. The victory for the locals and that of Saginaw over Kitchener keeps the two valley teams in a rie for the the two valley teams in a tie for the league leadership.

The break tended to unnerve the youthful flinger, and he was wild in the elghth and worse in the ninth. Then came a luli until the sixth, when there was a veritable stampede. Hughes opened with a double, Prysock was hit in the head and Cozington singled. So it went, hits and runs, all down the line until every man in the batting order had visited the firing line. Following the third retirement a check-up showed five safe blows ment a check-up showed five safe blows and as many scores.

That misfortune for the Breenmen upset Thomas. In the eighth he allowed Baker to lead off with a single, let Cross do likewise, and hit Kernan before the side was retired. This inning brought a real threat from the visitors for there were three on base and only one out when Klein came to bat. He lined to Tomer, who took the ball one-handed after a jump, and raced back to first to cut off Harris, who was running for Brower.
