**NOTES OF THE CYCLISTS**

F.A.O. Johnston chairman of the Dominion Racing Board of the Canadian Wheelmen's Association, has issued sanctions for two bicycle races in Ontario cities on Dominion Day. One meet is scheduled for London where twelve races, including a 25-mile road race are to be held under the auspices of the Great War Veterans Association.

The other race meet is to be held at Peterboro under the auspices of the Peterboro Industrial Exhibition. The chairman of the committee in charge of the events is R.M. Glover. The races at Peterboro include a one-mile novice a one-mile open and a two-mile handicap.

Chairman Johnston has issued racing licenses to one hundred and fifty wheelmen this year and probably two-thirds of these track specialists will be taking part in the London and Peterboro meets.

Jack Smith the veteran rider, has been appointed referee of the London meet, while W.M. Gladish has been appointed referee for the Peterboro races.

C.W.A. races are also to be held at the Brockton Point grounds at Vancouver B.C. on July 1st.

**BURNS vs FULTON**

Fred Fulton Minnesota heavyweight champion, will appear in Vancouver in a four-round bout with Tommy Burns. Burns is now a corporal with the 1st Depot Battalion.

**A Serious Matter**

There is a delicacy about mentioning piles. And yet so many suffer needlessly who could be readily relieved and cured if they only knew about Dr. Chase's Ointment.

Men tell one another about this remarkably successful treatment. But many women pine away their health and vitality, dreading a surgical operation and not knowing how easily they can be cured at home by Dr. Chase's Ointment.

**THE WESTERN FAIR**

London's Popular Exhibition.

This Popular Exhibition will be held this year from Sept. 9th to 14th, Queen's Park, where the Exhibition is held has been occupied since last year by the Military Authorities. They have recently vacated the buildings and grounds, going up to Carling Heights. This leaves a lot of work to do to prepare the place for the Exhibition. Large gangs of men are at work and more will be secured as the work goes on. An addition will be built to the sheep pens in order to accommodate the large entry expected. The large cattle barn will have a new roof put on, making it comfortable and dry for the cattle exhibited. It is expected there will be a large entry of live stock of all kinds this year as the Prize List has had such a substantial increase. All information supplied by the Secretary A.M. Hunt London, Ont.

**AUTO DISPLACES CAMEL ON DESERT**

With the horse already losing his job to the automobile, now it's the camel's turn to be displaced by the motor car as a common carrier. At least such is the purport of a letter forwarded by Mons. Paul Mayer, Maxwell dealer at Algiers, Africa, to the Detroit headquarter of the company this week.

The letter, inscribed in quaint Arabic characters, is from Baba Ben Amada, grandson of the Calid Kasi, mogul of an Algerian province called Guerrara on the edge of the Sahara desert and under French rule. As translated, it reads:

"Praise only to be God and let him bestow his mercies on our prophet Mahomed."

"Guerrara, 1st January, 1918. To our friends the most dear of me to us:

"Mr. Paul Mayer, Maxwell Automobiles, Rue Borely-la-Sapie, Algiers.

"Let me greet you on you. I understand that you have a Maxwell car for disposal and I ask you to be good enough to reserve it for me, because I desire to purchase a car of this make as it is very well known amongst us in the Sahara and stands the conditions in this country. I will take delivery of this car on Wednesday next.

"Yours Faithfully, BABA BEN AMADA, Grandson of the Calid Kasi".

Baba's reference to the Maxwell's ability to stand the desert conditions is due, Maxwell officials believe, to its perfected Coolin System, which under desert conditions equally trying in the "bad lands of America, vies with the famed "thirstless camel" for endurance.

"Jeff" Terreau the former Toronto pitcher twirled his first game in the steel League last Sunday and his team, Bethlehem, won by 1 to 0. Eddie Fitzpatrick is on the same team. Fewster last year with Baltimore and this season with the New York Yankees, is the latest to join this league. "Paddy" Bauman of Toledo is also a recent acquisition.

The latest averages of the American Association show "Larry" Lejosie with a mark of only 309. "Doc" Johnston the Milwaukee first baseman, recently sold to Cleveland, is the league leader with 347.

In a recent game in St. Louis "Jimmy" Austin acting manager of the Browns, kissed Ernie Johnson after he had slid across the plate with the winning run in the ninth inning. There wasn't any doubt about it, as the smack resounded in the grand stand.

**Tough Luck**  
His wife had followed him across to be a Red Cross nurse. During a bit of strafing he fell wounded and woke up several hours later in a field hospital. His wife was bending over him. "Ain't that just my luck, Jenny," he murmured. "With all the pretty nurses there are over here to look after the soldiers, I had to draw you."—Detroit Free Press.

**Announcement FALL WHEAT SEED**

In view of the partial failure of the Fall wheat crop in this Province this year it will be necessary for farmers to make early arrangements for the supply of seed which they will need for Fall sowing. Under these circumstances farmers who have on hand quantities of wheat suitable for Fall seeding are urged to conserve them for this purpose. If there is no demand locally, the information should be supplied to this Department, or to the Local Office of this Department in your County, so that every effort may be made to have an equitable and satisfactory distribution. The need for food-stuffs justifies a large acreage of Fall wheat in this Province again this year, and the co-operation of the farmers in the mobilization and distribution of the available seed supplies is invited.
