TITUS & FORD.
Sackville, Feb. 8.—Sackville Methodist Church was the scene of a very pretty nuptial event at 5.30 o'clock last evening, when Miss Annie Belle Ford, daughter of Mr. and Mrs. Alexander Ford, of Sackville, was united in marriage to Mr. Harrison Boydell Titus, of Sackville. Rev. H. E. Thomas officiated at the ceremony, which was witnessed by a large gathering of interested friends and acquaintances. The choir sang "The Voice That Breathed O'er Eden" as the bride party entered the church. The bride, who was given away by her father, was prettily dressed in white satin with pearl trimmings and wore a bridal veil caught with orange blossoms. She carried a beautiful bouquet of pale pink bridal roses. The groom, who is a returned soldier, was in uniform, as well as the officiating clergyman and the ushers. Messrs. Arthur Gillis and Kenneth Pickard. The church was prettily decorated with flags and the wedding marches were effectively rendered by Prof. Chadwick, of Mt. A. Conservatory of Music.

After the ceremony the happy couple left on the Maritime for a short wedding trip, after which they will take up their residence in Moncton. The bride's travelling suit was of navy blue with black hat and furs. Both bride and groom were the recipients of many beautiful wedding presents, testifying to their popularity among a large circle of friends. The groom's present to the bride was a beautiful set of black seal and fitch furs. The groom is a Mt. A. man and is well known in Sackville.

WIN FIRST AND SECOND PRIZES.

Curry, Not Currie.
That the correct spelling of the name of Canada's commander-in-chief is "Curry," although Sir Arthur has been called "Currie" since the outbreak of the war, has just come to light. On September 16, when Middlesex county presented Sir Arthur and Lady Curry with a \$500 chest of silver, it was noted that the spelling was changed in a manner at first ascribed to an engraver's error. Later the Warden of Middlesex, John Curry, brother of the general, announced that Canadians at large have been in error during the war and that the Middlesex silverware is accurately designated.

Electric Insoles.
To keep the feet of outdoor workers warm, electrically wired insoles have been patented, which can be placed in any shoes into which sockets for connecting with sources of electric current have been installed.

CAMPBELLTON
AGAIN VICTORS

Defeat Moncton Team on Their Own Ice—A Fast Game.

(Moncton Transcript.)
The Campbellton-Victoria game in the Arena rink last evening, ended in a win for the visiting team in a score to the tune of 5-2. Campbellton had a fast number of travellers who worked the combination plays exceedingly well, and several of the members of the northern team showed up well in individual hockey. The first period ended 1-1. In this period some nice work was observed by both teams. In the second episode, the local sextette found the nets for a second tally, while Lane and Ingram played some brilliant hockey in pass work. This period was said to be the best hockey perhaps witnessed on local ice for some time. The locals failed to find the nets further in this period while the visitors found the local net for a second tally, tying the score. The third period was decidedly rough, both teams mixing it up, each man endeavoring to get his opponent. Starrak and Fowler for the northern brigade showed up in this period, playing a fast brand of hockey, a feature being an end-to-end rush by Starrak. Some of the local men were not in the game as several were ill, suffering from colds, while others were just recovering. The game in the third period was said to be very rough, a fact which does not speak well for members of either sextette, and some of the local boys turned to foot ball instead of hockey. However, though the game was lost, the fans believe the locals placed up a good game. "Shorty" Trites refereed the game.

DALHOUSIE HOCKEY.
A fast and clean game was played between the Campbellton and Dalhousie junior teams Saturday night. The score was 7-3 in Dalhousie's favor. The players were:—
W. Duncan Goal
L. Henderson Point
Jardine C. Point
G. McBeath R. Wing
F. Isaac L. Wing
W. Arsenault Centre
R. Roy Spares
A. J. Goodin, B. LeBlanc.
Four times the Dalhousie juniors have played Campbellton and each time they won.
Twice the Campbellton C.S.E.T. team have played the Dalhousie D.A.C. 2nd seniors and both times the D.A.C. have won.
Dalhousie has the coming team of the province.

C. S. E. T. HOCKEY.
Campbellton C. S. E. T. Hockey Team visited Newcastle and defeated the Newcastle C. S. E. T. last Friday evening.
The weather was very unfavorable for a match, but a goodly number of hockey fans witnessed a very fast and exciting match.

In the first period, Campbellton broke from centre with full speed and showed Newcastle some fine combination and individual work, and succeeded in scoring so often that things looked bad for Newcastle. Henderson and Dewar scoring for Campbellton. MacMichael tallied once.
Score at end of first period 7-1 in favor of Campbellton.
Second Period—8-25-8-45.
In the second period both sides got down to hard work. The O'Donnell brothers for Newcastle did some fine stick handling and McMichael scored.
Dewar scored for Campbellton.
Score at end of second period 8-2.
Third Period—8-50-9-55.

HARDWARE TALKS.

"Life is a hard grind," said the emery wheel.

"It's a perfect bore," said the sander.

"It means nothing but hard knocks for me," sighed the nail.

"You haven't as much to go through as I have," put in the saw.

"I can barely scrape along," complained the plane.

"And I am constantly being sat upon," said the bench.

"Let's strike," said the hammer.

"Cut it out," said the chisel.

And all was silent at
