CLOTHES RUPTURE CURED PERFECTED TRUSS. Latest Patented, U. S. and Canada, Dec. 20. BE WISE. There is hardly any other disease which so undermines the health and happiness of hundreds of thousands of families as Hernia, or Rupture. It creeps into almost every household as a worm; it causes nervous debility, impairs memory, excites the spark which invigorates the relation of life in domestic circles, and inspires devotion to the most sacred institution of marriage, morality, etc.

In addition to the above it especially affects men, both physically and socially, of all ages and positions. Destroys energy and wears out the human machine tenfold quicker than age or labor. Sufferer, be wise, rupture as well as deformity can only be treated by mechanical treatment. After the doctor has failed to hold your Rupture, after you have tried your druggist's stock and failed, Rupture always increasing instead of decreasing, I say come to or write to me, and I will do for you all I can.

Modell's Philadelphia Centennial, and first prize wherever exhibited. Nineteen years' material experience, 12 years established in Canada, through acquaintance with the Anatomy of the Human Frame, natural mechanical advantages have made me a perfect master of this profession, and every body Ruptured or Deformed should send "nips" for book on this cure and the Human Frame, containing valuable information, registered by

CHARLES CLUTHE, SURGICAL MECHANIC & ARTIFICIAL LIMB & ARM MAKER 118 KING STREET WEST, TORONTO. And Corner of Main and Huron streets, Buffalo, N. Y.
