—C. R. Hall, Grayville, Ill., says: "I have sold at retail, 156 bottles of Dr. Thomas' Eclectric Oil, guaranteeing every bottle. I must say that I never sold a medicine in my life that gave such universal satisfaction. In my own case, with a badly ulcerated throat, after a physician penciling it for several days to no effect, the Eclectric Oil cured it thoroughly in twenty-four hours, and in threatened eroup in my children this winter, it never failed to relieve almost immediately."

It takes the first thirty years of a man's life.

From the money.

—For coughs, colds, and all throat and lung diseases use West's Cough Syrup. All druggists.

The deer of the far west are being rapidly exterminated by the pelt hunters, who kill the animals for their skins only, contrary to law.

It is noticed as a peculiarity of the railroad stove that it is who draws the biggest check.

Report has it that Evangelist Sam Jones received \$19,000 for one month's work in Boston. If he sayed any souls there no one can well envy him the money.

—For coughs, colds, and all throat and lung diseases use West's Cough Syrup. All druggists.

The deer of the far west are being rapidly exterminated by the pelt hunters, who kill the animals for their skins only, contrary to law.

It is noticed as a peculiarity of the railroad stove that it never kills the train boy. The moved ten corns from one pair of feet without any pain. What it has done once it will do again.

Active fluctuations in the Market offer opportunities to speculators to make money and proportunities to speculators to ma

in the order of the letters come to the first person and the rest of those questions will take the following the containing correct ers to those questions will take the following the order of the letters come to the corder of the letters come to the corder of the letters come to the corder of the letters come to the same three ded of consumers and the sharp which covered the head had been absent minded for several years and was at one time confined in the hospital for the insane. The young woman had on several occasions attempted the life of the old lady, who often remarked that she expected had year or effective would some day take her life. On Thursday of last week the body was found a few rods from the hospital for the insane. The young woman had on several occasions attempted the life of the old lady, who often remarked that she expected had ye who often remarked that she expected for the crasy relative would some day take her life. On Thursday of last week the body was found as few rods from the hospital for the insane. The young woman had on several occasions attempted the life of the old ady, who often remarked that she expected from the hospital for the insane. The young woman had on several occasions attempted the life of the old ady, who often remarked that she expected had ye who care the head had ye who care the head hadly out with a hatchet. A hatchet was found lying close beside her. The suspected miles away. When brought to the side of the murdered woman she appeared unconcerned and said she thought the old woman had fainted.

There is danger in neglecting a cold which seems the properties of the letters come to old which seems the properties of the letters come to old which seems the properties of the seems of the letters come to old which seems the properties of the control of the life. On Thursday of last week the body was found the shawl which covered the head hadly out with a hatchet. A hatchet was found the shawl which covered the life. On the crasy relative would some day take her life. On

Something peculiar about a match. No matter how you drop it, it always lights on its ter how you drop it, it always lights on its ter how you drop it, it always lights on its ter how you drop it, it always lights on its ter how you drop it, it always lights on its ter how you drop it, it always lights on its flavored. Ask your Grocer for them.

On the rolling deep. First Passenger:
"Well, old boy, what's up this afternoon?"
Second Passenger: "All but the soup."

EPPS'S BREAKFAST. "By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition, and by a careful application of the fine properties of well-selected Cooos, Mr. Eyrs has provided our breakfast tables with a delicately flavored beverige which may save us many beavy doctor's bills. It is by the judicions use of such articles of diet that a constitution may begradually built up until strong sough to resist every tendency to disease. Hundreds of subtle maladies are floating around us ready to attack wherever there is a weak point. We, may escape many a shaft by keeping ourselves well fortified with pure blood and a properly nourished frame."
