"Old ideas die slowly. When I was young it was not considered proper to chew gum—How foolish, because it is so good for one."

"I do enjoy O-Pee-Chee especially after meals. It aids digestion—is pleasant to the taste and is so much better for one than the ordinary confection."

O-Pee-Chee Chewing Gum

is good for the young—wholesome far than candies. It preserves the teeth—aids digestion and is good for the aged, too.

There's an O-Pee-Chee Flavor for every taste and they all taste delicious. O-Pee-Chee is sold by all dealers who sell the best gum.

O-Pee-Chee Gum Company,
London - 3 - Canada Limited

Which is his

THERE'S no mistaking the expression of a man whose farm is well "improved." He looks as prosperous as he feels.

It isn't the size of a place that counts most, nor its actual dollars-and-cents value. It's rather that "well-kept," thrifty appearance; the appearance that makes you think of fat stock, and well-filled barns, and comfortable, contented living.

Neat, permanent improvements go further in giving a farm this appearance than any other feature.

Concrete Is The Ideal Material

for such improvements. It is neat, harmonizing with its surroundings in the country. Everlasting, it cannot be injured by fire, frost, wind or lightning. Age—instead of causing it to decay—actually makes it stronger.

Concrete never needs repair—first cost is last cost. New improvements can be added year after year with less expense than would be required to keep wooden structures in repair.

Concrete walks, feeding floors, dairy-barns, ice-houses, root-cellars, well-curbings, fence posts, silos—which of these does your farm need most? Whatever you want to build, it's best to build it of concrete.

Do you want to know more about this subject of permanent farm improvements? Then write for your copy of

"What The Farmer Can Do With Concrete."

It's a book of 160 pages, telling how other farmers have used the "handy material" to good advantage. Published to sell at 50c. a copy, it is now being offered free to all farmers who write for it. Address

Canada Cement Co., Ltd., National Bank Building, Montreal.

BROOKE COUNCIL.
Inwood, 4th May, 1912.
Council met pursuant to adjournment. Minutes of previous meeting read, and on motion of Mr. Monro, seconded by Mr. Fisher, were approved.

Report read on the proposed tiling of 15-16 sideroad drain, across concessions 5 and 6. Estimated cost \$2250.00.

Monro-Annett, that report be accepted and Clerk be instructed to prepare a by-law for submission at next meeting, authorizing the tiling and repairs to the drain, and the borrowing by debenture of the funds required for the work.—Carried.

The following report was presented and read: Brooke, May 4th, 1912.

To the Municipal Council, Tp. of Brooke: Gentlemen—Your committee appointed to inspect the roads and bridges throughout the township, beg leave to report as follows:

1. We found the bridge on sideroad 18, between cons. 9 and 10, known as the "McVicar Bridge," a wooden truss structure, in a bad state of repair and would recommend that a new bridge be built of concrete or steel or both.

2. We also found the bridge on sideroad 21, con. 7, a wooden structure, unsafe for public travel, and recommend it to be replaced with a more modern structure.

3. Your committee inspected a site for a proposed new bridge over the Sydenham River, con. 8, sideroad 24, and whereas there is no crossroad in the eastern portion of the township between

sideroad 18 and the boundary line between Brooke and Metcalfe, a distance of approximately four miles, and which no doubt is a serious inconvenience to the ratepayers in that portion of the township and to the public in general, we recommend a bridge to be erected on the proposed site, and sideroad 24, across concessions 7 and 8, opened out for public traffic.

4. The construction of the aforesaid bridge and necessary grading, will necessitate a large expenditure; we therefore recommend to your honorable body that at the earliest possible date, a by-law be submitted to the ratepayers of the township for the purpose of borrowing on the credit of the municipality, by means of debentures payable in ten equal annual payments, a sum not to exceed Ten Thousand Dollars, for the purpose of defraying expenses in connection with said bridges.

All of which is respectfully submitted.

ALFRED DARVILL,
Acting Chairman.

Darvill—Fisher, that report be adopted and Clerk instructed to prepare a by-law for submission at next meeting, to borrow by the issue of debentures the sum of \$10,000.00, to cover the cost of the construction of the bridges proposed to be built.—Carried. Yeas, Darvill, Fisher, Monro, Sutton, Nay, Annett.

Parties interested in the lighting of the streets in the Village of Inwood asked that the sum of \$165.00 be levied annually pro-rata on the village assessment, and on the assessment on buildings on farm lands within 40 rods of the village limits. Clerk requested to prepare by-law.

Messrs. McCoubrey and Handsford asked that tile be given them for culverts in Award drain leading into their farm buildings.—Refused.

Tenders were opened for the construction and repairs needed to the following drain:—

Bourne Drain, F. D. McGugan 16287 c yds. at 23c. per yd. \$3746.01
Bourne Drain, H. & M. Brain 3590.00
" " Woolman Construction Co. 16287 yds at 27 5/8c. 4492.97
Watson Drain, Woolman Const'n Co. 14750 yds at 28 1/2c. 4203.75
Bryan-Johnston dr. Walter Brown 397.00
Edgar dr. H. & M. Brain 390.00
John Edgar 437.80
Johnston-Mills dr. Johnston & Mills 800.00
Fisher—Sutton, that the tenders of the Woolman Construction Company be accepted for the work on the Bourne and Watson Drains, the tender of Walter Brown for the Bryan-Johnston drain, that of John Edgar for the Edgar drain, and that of Johnston & Mills for the Johnston-Mills Drain.—Carried.

Annett—Darvill, that the sum of \$25.00 be tendered Walter Mills, in full settlement for any claim he may have, for injury to his horse on the road south of Inwood last winter.—Carried.

Annett—Monro, that the sum of \$125. be granted in aid of the Brooke & Alvinston Agricultural Society.—Carried.

By-law submitted to authorize the construction of the Holbrook Drain, and the borrowing by debenture of the funds required for the same.

Monro—Darvill, that by-law be provisionally adopted, printed in pamphlet form and a copy served on each party assessed, with notice that a Court of Revision on same would be held in Code's Hall in the Village of Alvinston on Saturday the first day of June 1912. Mr. Sutton to be Commissioner and to serve by-laws.—Carried.

By-law No. 9 introduced and read to punish by fine or imprisonment persons found guilty of damaging the concrete sidewalks in the Village of Inwood, or the concrete culverts or bridges anywhere in the Township.

Sutton—Monro, that by-law be read a third time and finally passed.—Carried.

Letter received and read from Mr. Irving, Clerk of the Village of Alvinston, asking for the payment to their Treasurer of the sum of \$3900, the amount which the Council of the Township of Brooke agreed to pay, for the construction of a joint Town Hall in the Village. The letter stated that the Council of the Village had in good faith carried out their share of the agreement, by submitting and carrying a by-law to raise the sum of \$3900.00 and was now ready to proceed with the work.

Darvill—Sutton, that the Council as a whole, meet the Council of the Village of Alvinston, on Saturday the 11th inst., at 4 o'clock p.m.—Carried.

Fisher—Monro, that Council do now adjourn to meet in the Village of Alvinston on Saturday the first day of June, 1912, and to open as a Court of Revision on the Assessment Roll for the present year.—Carried.

W. G. WILLOUGHBY, Clerk.

A Woman of Few Words

Mrs. Harry E. Bye, Main street north, Mount Forest, Ont., writes: "Your remedy for kidney, bladder and stomach trouble has given me great relief. Have taken three boxes and now feel like living and better than I have felt for years and I give you

FIG PILLS

all the praise, for they are the best I have ever tried."

Sold at all dealers in 25 and 50 cent boxes or mailed by The Fig Pill Co., St. Thomas, Ont.

Sold in Watford by J. W. McLaren, Druggist.

A motor car recently crossed from Cairnwell—the highest road in Britain—from Braemar to Blairgowrie, and twice had to be cut out of snowdrifts five feet deep. The uniform depth of snow was about two feet.

Deathly Cramps, Stomach was Bloating

A Bad Case That Proves Cramps and Stomach Disorders are Cured Fast by Nerviline.

"The distress I suffered from cramps last summer was so severe I thought it meant death," writes F. R. Emerson, of Guys Hill, P. O. "I was doubled up with pain and in such bad shape I couldn't walk a hundred feet. I remembered having Nerviline on hand and took half a teaspoonful in sweetened water. In five minutes I was well, and my stomach derangements disappeared entirely."

NERVILINE AN INSTANT RELIEF

For cramps, flatulence, diarrhoea and disorders of the stomach and bowels, Nerviline knows no equal—one million bottles used every year—fifty years on the market, that's proof enough of its merit. Large bottles, 50c., trial size, 25c. All dealers or The Catarthozone Company, Kingston, Ont.
