WHY all this talk about scarcity of labor? Listowel High School advertised for two teachers and seventy-seven applications were received.

FARMERS around here had splendid weather for haying. The crop was put in in much better shape than usual and is undoubtedly the largest crop in many years.

MRS. R. H. STAPLEFORD received a telegram on Wednesday from her husband at Camp Borden which stated that he has been promoted to Staff Captain on the 8th Brigade.

A NUMBER of citizens are complaining of the disregard bicyclists show towards their rights by persisting to ride on the sidewalks during the summer season when the streets are in excellent condition for wheeling.

MR. BEN CRAIG has a narrow escape from serious accident Tuesday. While cementing a well at rear of the Taylor Block a board on which he was standing gave way precipitating him into the well. Luckily he escaped with only a few bruises.

TWO young ladies from Watford went boating at Port Frank last Sunday, capsized the boat, and had to stand in nearly five feet of water until two gentlemen paddled from shore to rescue them. They are trying to keep the matter quiet, but O, my! nearly everybody knows about it.

WHEN the new telephone directory is issued in August, the a's and b's attached to numbers will be done away with. The new letters will be w and j. There has been considerable confusion experienced over the a's and b's and it is believed the substituted letters will do away with this trouble.

NEW blouses, middies and wash skirts for Saturday. —SWIFT'S.

THE entrance results came to hand on Saturday and were posted up outside the Guide-Advocate office a short time after being received, much to the satisfaction of the young people who had been waiting very anxiously for some time for the news. They can now settle down and enjoy the holidays in earnest.

LETTERS of as late date as July 6, received from soldiers in the 70th state that very few of the 70th are now in England and those are employed as instructors or on special duties. All the officers are said to have gone to the front except Lt.-Col. Towers and Quartermaster Mackenzie. The destinations of the officers and men are not known.

THE weekly meeting of the Patriotic League was held in the Lyceum on Thursday afternoon. The member's present worked on hospital supplies. Donations of money or old white linen can be left with Mr. A. G. Brown, Mr. E. D. Swift or at the Lyceum every Thursday afternoon. Any ladies who take an interest in patriotic work will be welcome Thursday afternoon. —M. Osborn, Sec.

WATFORD PEOPLE had an excellent opportunity on Friday night of watching a partial eclipse of the moon, which was particularly clear because of the favorable weather conditions. A little after 10 o'clock a dark shadow began to cover the face and at a quarter to 12 the greatest point of eclipse was reached. No clouds showed in the sky, and the clear atmosphere gave a rare opportunity to see the phenomenon.

AS noted last week Miss Alice May Pearce passed away on July 12th, after a long and tedious illness extending over two years which she bore with much patience. The funeral was held on Friday afternoon from the residence of her parents, Mr. and Mrs. C. Pearce, Huron Street, to the Watford cemetery, the Rev. S. P. Irwin taking the service. The pall bearers were R. Brock, T. Glenn, D. Roberts, I. J. Hastings, N. Chatterton, and W. Williamson. Interment in Watford Cemetery.

HISTORIANS will divide the great war into three parts, the first being the great German attack; the second being the period when the Allies held on, waiting their time to strike, and the third the period of the German retreat and ultimate defeat. We seem to be getting pretty well into the third part now.

"YOU are complaining in America of thirty-cent gasoline," writes a Britisher to an American friend, "but that means to you thirty cents a gallon; what would you say if it meant, as it does to us at this moment, thirty cents a quart! When gasoline went up to \$1.25 a gallon, I put up the car and got my old reliable bicycle."

THE results of the School of Bayonet Fighting and Physical Training held in London from May 15 to June 10 is announced. The following noncommissioned officers have completed the 21 days' course and are qualified to act as assistant instructors. The certificates will be issued shortly. 149th Overseas Battalion —Sergts. SINCE 1912 the paper contained in a thousand letterheads has advanced in price over 50 cents on the cheaper grades, and on some of the more expensive papers 75c and \$1.00; colored cardboard exact doubled in price; colored poster paper has advanced 25 per cent; book paper and cover paper has advanced 37 per cent, and memorial cards 35 per cent. As a matter of fact there is not a thing which enters into the printing and publishing business that has not advanced in price.

MR. W. A. CORK, government inspector of Mutual Fire Insurance Companies was here last week making his annual inspection of the books of the Lambton Farmer's Mutual Fire Insurance Co. He called at the Guide-Advocate office on Friday and reports that the company is in a very flourishing condition with a large surplus on hand and invested in debentures. He said the Company was to be congratulated on having such an efficient secretary in the person of Mr. W. G. Willoughby, whose books are exceptionally neat and well kept.

ACCORDING to the records of the casualty office the total number of killed, wounded and missing during the heavy fighting on the Canadian front since June 2nd is a little less than the grim record of St. Julien. The casualties so far received aggregate between eight and nine thousand, including several hundred reported "missing." Practically all the casualties of the first three weeks of June, during the period of the heaviest fighting, have now been received and next of kin have been notified. The total of Canadian casualties since the outbreak of the war is now more than thirty thousand.

WHITE wash skirts in repp, duck, drill, at July bargain prices. —SWIFT'S July Sale.

Pushing the hands of the clock an hour ahead may be all right—some say yes and some say no—but it wouldn't make the birds sing any earlier in the morning.

ALVINSTON Free Press:—"It is said, and we can see no reason for disputing it, that there are four or five of the most promising horses in Western Ontario to be found at the Alvinston race-track under the eagle eye of Trainer John Roche. Besides Texas Jim, who is known abroad as well as at home, there is P. A. McDiarmid's Win Fast, Harry Laird's son of Uno, Dan McIntyre's grey, Jim Kenny's pacer and others. Every one of these horses has the breeding and the speed, and miles under twenty are as common as flies. And the track is in splendid condition."

OVER 500 Bandsmen will be engaged for the musical program at the Canadian National Exhibition. In all over 20 bands have been engaged to play at various times and there will be nearly 400 each night in the massed concert in connection with the Federation of Empire Spectacle. The musical festival will be led by Conway's famous band of soloists, the Director of which has the reputation of being the king of program makers. There will be concerts throughout the grounds every hour of the day and well into the night.

WHEN about to close a jar of preserved goods, the housewife very often finds herself short of a rubber band, or else the last one breaks. A very good substitute can be made from newspaper. This is better than other paper, because, as plumbers say, "it packs better." They often use it to make small pipe joints air and water-tight. Cut several layers of the paper the required size, put them on the can and screw the lid down as tightly as possible. If preferred rings of soft leather, cut from the tops of old shoes, may be used, but they are not as satisfactory as those made from newspapers.

MRS. F. TANNER has received information regarding the death of her son Lieut.-Col. Tanner. "He was wounded in the abdomen by a bursting shell while superintending the loading of the wounded into Ambulance cars and although he knew he was mortally wounded he stood by till every man was removed to a place of safety before asking for assistance for himself. He was wounded the evening of June 2nd and lived till 3.30 in the morning of June 4th. He was laid to rest in the Military Cemetery about one mile and a half out of Poperinghi and was given a full military funeral. There were friends from almost all the Canadian units present. His grave was covered with flowers. The grave will be marked by a cross with his name on it and will always be cared for. He was to have had a promotion in the near future. Extract from Chaplain's letter."

MR. Warren K. Cook, Toronto, who was visiting here over Sunday, entertained a number of citizens to an exhibition of automatic machine gun firing on Monday morning. The gun used is an Italian invention and is called the Revelli. It is manufactured in Canada by Canada General Electric Co., of Toronto, Mr. Cook being their representative. The features of the gun are simplicity, lightness and rapidity of fire. It has two barrels and shoots 50 shots a second—3000 a minute—and the barrels can be used separately or together. Its range is 1200 to 1500 yards and the bullets, which are a trifle larger than a .32, will penetrate three inches of hard wood at 500 yards. The velocity of the bullets is 325 yards a second, and the gun is guaranteed for 25,000 rounds. The exhibition was a very interesting and instructive affair and Mr. Cook's kindness in giving the demonstration much appreciated by all who witnessed it.

## BROOKE

St. Andrews B. & E. will hold their reopening services on July 30th. Morning service 11 o'clock, evening service half past seven. Service as usual on Sunday July 23rd.

Tuesday afternoon July 25 the Tipperary Red Cross Aid will hold their annual meeting at Mrs. Thos. Corestine's. All members are asked to be present in order that the year's report may be completed.

The Red Cross Society 6th line west will hold a "Garden Party" in the orchard opposite Bethesda Church, on Thursday August 5th. A first class program is anticipated. Watch for particulars next week.

The 6th line west branch of the Red Cross Society met at the home of Mrs. Squires on Wednesday of last week. Notwithstanding the intense heat, a large number were present and a number of garments and hospital supplies were completed. Mrs. Snell the president, took charge. The invitation of Mrs. Walter Thrower to meet at their beautiful new home on July 26th was heartily accepted.

Mr. McMearns, Dominion Government Seed Inspector paid an official visit to R. Williamson, Sutorville, who is growing several acres of mangle seed. Mr. McMean reports the crop of Mr. Williamson to be one of the best in his inspection which goes to show that even Lambton County is capable of producing seed that heretofore has largely been grown in Germany. Quite a number throughout the province of Ontario are experimenting with small amounts this season. The government purposes giving all assistance possible in order to put the seed growing in Canada on a profitable basis.

## A Few Reasons Why We Need Hydro

Forest with its own electric light plant, costing \$35,000 only three years ago, has voted in favor of Hydro. There's a reason.

Sarnia's electric plant cost that city \$175,000 a very short time ago. They have decided by an overwhelming majority to install Hydro.

Strathroy owned its own electric plant. Since installing Hydro the rates have been reduced to consumers nearly one third and the financial statement of the light department shows a net surplus of \$480.00 for the last six months.

The Hydro Commission will not advise the use of their power unless certain that the revenue derived will meet all expenses. No town using Hydro has yet reported a deficit.

Would Watford be an exception and Hydro a failure here? We should say not, when every like hamlet in the country has proved it a success.

More light with greater candle power will make our back streets at night as bright as noon-day, and the cost will be less.

If you do not use Hydro it will not cost you a cent.

What we now pay for street lighting will more than pay the debenture rate each year.

Cheaper lamps will naturally reduce your lighting bill for the year. Hydro lamps are much cheaper.

Don't let the opportunity to keep up with other towns pass. Vote for the by-law.

## Amherstburg Bowling Tournament

The Amherstburg Bowling Club will hold its Fourth Annual Tournament, on Monday and Tuesday, August 7th and 8th. As last year's event was practically spoiled by rain, Amherstburg bowlers are arranging to make it up to their friends from Western Ontario this year by putting on some splendid stunts. In addition to the Old Boys, Amherst House and Park trophies and prizes with same, four beautiful Special prizes have been donated as a fourth event, by S. J. Johnston of Detroit, Honorary President of the Club. Constant work on the greens have put them in first class condition, and the grounds are a bower of beauty surrounded by flowers and shrubs. The usual moonlight dance will be given the first evening. It may be interesting to our readers to be reminded who won the trophies in former years: Old Boys, 1913, R. Fairall, Leamington; 1914, A. Pow, Ridgeway; 1915, N. Cornwall, Walkerville. Amherst House, 1913, Dr. Rogers, Essex; 1914, Dr. Watson, Windsor; 1915, Dr. Teeter, Amherstburg. Dr. Park trophy, 1913, W. H. Wilton, Leamington; 1914, N. Wigle, Kingsville; 1915, Dr. Dounsbury, Wheatley. Mullen Special, 1914, Broad of Windsor; Stephenson Special, 1915, J. H. Sutton, Amherstburg.

Sarnia, July 14.—The police are keeping a sharp lookout for supposed deserters from military units. A long list has been furnished by the officers of men who are now absent without leave. So far the police have been successful along this line, and have turned over a number of the absent-without-leave men to their commanding officers.

Mount Bridges, Ont., July 18.—Arthur Drover, an eighteen-year-old English boy employed by R. A. Williams of concession 1, Caradoc, suddenly ran amuck to-day. He was apparently made insane by the excessive heat, and attacked Mrs. Williams with an axe, wounding her seriously in several places. Then he fled toward Dawn township, where his brother lives, stopping in his flight at the home of Mrs. Cushman, whom he struck with an axe that he found in the woodshed. After knocking her unconscious, Drover continued his flight and was captured by officers near Melbourn. Both of the axeman's victims will recover, it is reported.
