3 East India possessions.

ted that teas of good quality can be prodeed by deep, rough plowing just before the freez there. India, including Ceylon, exports a ing of the ground; 2d, to force forward the and we have no doubt, but that his spiritual bout 13,000 tons of coffee which is within young plants into a rough leaf, in order to labours will be attended with much success, 1000 tons of the amount consumed in Great secare them from the attack of flies. This

1000 tons of the amount construction of Great, Britain Britain. At the present time Great, Britain receives from India eight or nine million pounds of prpper, a great part of which is re-exported to other countries. The rice and wheat of India, are both in-ferior to that of most other countries, probab-by on acount of inefficient cultivation. The growth of weeds afterwards, and eradicating the many be done by soaking the seeds for 36 hours in a solutation of 1 lb. of granto to 10 perty.—The Quebec and Destruction of Pro-perty.—The Quebec Morning Chroniele of the 12th inst says:—Last night about 9 of clock persons to the number of about 2000, riotously disposed, assembled in front of the growth of weeds afterwards, and eradicating Police Barracks in Chandian-street—the Cusquantity of wool exported from India is them before they choke the crop; 4th, to toms Building—and without ceremony enter-estimated at 6,000,000 ibs. Almostall kinds of European fruit-trees succeeded well in India. The article from which we have gleaned

these facts, though somewhat lengthy, will richly repay a careful perusal .- Roch Amer.

WAY. TThe Editor of the Railway Record, publishd Capt. Robinson's letter, with the following in-

OR RAILWAY AND COMMERCIAL RECORD.

E variis sumendum est optimum .- Cie.

We willingly give insertion to the subjoin-ed letter from Capi. Rosinson, on the subject of the St. Andrews and Quebec Railway-We need not say that we would not wittingly lend our columns to the circulation of any misstatement of facts, whether in favour of, and the Toher side of the St. Lawrence and the Canadas, New Years, lead to a separation of the Canadas, New Brunswick, &c., from the mother country seems equally misstatement of facts, whether in favour of, an indecendent again of the solution. Will those Provinces form themselves into a indecendent again of the solution. Will those Provinces form themselves into a indecendent again of the solution. We need not say that we would not wittingly in statement of facts, whether in favour of, an indecendent again of the solution. Will those Provinces form themselves into a spart of Change this week have been

picture fair and bright pure spotless chastity. It of thee in perils hour, in from the caves of ocean, m fields how'ld and billows groan'd, aved in wild commution er to heaven's indugent God, hee and thine ascended, o Him, I thee assigned, m thy life has endod. it of thee i when hops had fled leath was all before me, reakers roar'd and surges dash'd, d close on eiternity: en the storm was hushed, afety's peace was given, in the storm was hushed, afety's peace was given, in the taken, in the discussion of Colonial Rait way undertakings, feeling convinced on the statement, of the surgestives of the storm was hushed, afety's peace was given, in the storm was hushed, afety's peace was given, inter an to storm was hushed, afety's peace was given, inter the storm was hushed, afety's peace was given, inter the storm was hushed, afety's peace was given, inter the storm was hushed, afety's peace was given, inter the storm was hushed, afety's peace was given, inter the storm was hushed, afety's peace was given, inter the storm was hushed, afety's peace was given, inter the storm was hushed, afety's peace was given, inter the storm was hushed, afety's peace was given, inter the storm was hushed, afety's peace was given, inter the storm was hushed, afety's peace was given, inter the storm was hushed, afety's peace was given, inter the storm was hushed, afety's peace was given, inter the taken was the storm was hushed, afety's peace was given, inter the storm was hushed, afety's peace was given, inter the taken was the storm was hushed, afety's peace was given, inter the storm was hushed, afety's peace was given, inter the taken was the taken was the taken was the taken taken was the taken was the taken the taken taken was the taken the taken the taken the taken the taken take or adverse to, any enterprise, We appear, an independant nation, or seek a connexion way undertakings, feeling convinced on the one hand, that Colonization—Home and porating with us any district densely peopled all this indicates a solid prosperity; that trade Colonial Colonization—is the material re- with the Mexican race, I should be most hap quirement of the age, and that the Colonial py to fraternise with our northern and north-

Railway is the best pioneer of a productive and profitable Colonization, whether in Ire land or in British America. And not less government on the subject, I know absolutely in the hands of capitalists; that paper is for-

And when my heart would bound away, I know the place excelling: I'll think of thee where'er I go, Whate'er my lot or favour, Till scenes shall close and life shall end-I'll think of thee for ever. THE BRI FISH EMPIRE IN THE EAST. The above is the title of the leading article in Hunt's Marehanis Magazine for March.-It presents many interesting facts in relation to the extent and productions of the British East India possessions. British India covers a surface of 1.000,000 Last India possessions. British India covers a surface of 1,000,000 instigator of the loyal mob. But the violent The foregoing views I have long been in freedom of commerce will soonly and Broughamish discontent & partisanship the habit of expressing in conversation. I as civilization, for Great Britain has

LAW RESPECTING NEWS PAPERS Subscribers who do not give express not fice to the contrary, are considered as wish-If Subscribers order the discontinuance of If Subscribers order the discontinuance of their papers, the publisher may continue to send them till all arrearages are paid. If Subscribers neglect or refuse to take their papers from the office to which they are directed, they are held responsible till they have sETTLED THIS BILLS, and order ed their papers to be discontinued. If Subscribers remove to other places without informing the publisher, and their paper is sent to the former direction, they are held responsible.

notes appears to be a good sound preacher, and we have no doubt, but that his spiritual
