HEALTH where 'tis SOUGHT!

Holloway's Pills.

CURE OF A DISORDERED LIVER AND STOMACH, WHEN IN A MOST HOPELESS STATE.

Extract of a Letter from Mr. Matthew Harvey, of Chapel Hill, Airdrie, Scotland, dated the 15th of January, 1850. Sir—Your valuable Pills have been the means, with God's blessing, of restoring me to a state of perfect health, and at a time when I thought I was on the brink of the grave. I had consulted several eminent doctors, who after doing what they could for me, stated that they considered my case as hopeless. I was a last resource got a Box of your Pills, which soon gave relief and by persevering in their use for some weeks, together with rubbing night and morning your Ointment over my chest and stomach, and tight side, I have by their means alone got completely cured, and so the astonishment of myself and every body who knows me. (Signed) MATTHEW HARVEY.

GURE OF A CASE OF WEAKNESS AND DEBILITY, OF FOUR YEARS' STANDING.

Extract of a Letter from Mr. Smith, of No. 5, 1st Thomas Street, Gibson Street, Lambeth, dated Dec. 12th, 1849. To Professor Holloway. Sir—I beg to inform you that for nearly five years I have known what it was to have a day's health suffering from extreme weakness and debility with constant nervous headaches, giddiness, and sickness of the stomach together with a great depression of spirits. I used to think that nothing could benefit me as I had been to many medical men some of whom after doing all that was in their power informed me that they considered that I had some spinal complaint beyond the reach of cure, together with a very disorderly state of the stomach and liver, making my case so complicated that I was almost despondent. One day being unwellly ill and in a dejected state, I saw your Pills advertised, and resolved to give them a trial, more perhaps from curiosity than with a hope of being cured, however I soon found myself better by the use of them, and so I went on persevering in their use for six months, when I am happy to say they effected a perfect cure. (Signed) WILLIAM SMITH.

(frequently called EDWARD.) CURE OF ASTHMA, OF TWENTY YEARS' STANDING.

Extract of a Letter from Mr. J. K. Heydon, 78 King Street, Sydney, dated 10th of November 1849. To Professor Holloway. Sir—I have the pleasure to inform you that many extraordinary cures of Asthma have been effected here by means of your Pills. One is that of a Lady residing near the "Razorbuck," who after having for twenty years been unable to perform the slightest exertion, and suffering fearfully from shortness of breath, coughing, and spitting, but is now, to use her own expression, able to run up to the top of that mountain. Another is that of Mr. J. K. Heydon, of Hutchinson's Buildings, Clarence Street, who was so dreadfully bad that he was confined entirely to his bed-room for six months, prior to his commencing with your Pills, and attended by one of his medical men, who pronounced him to be in a dying state, yet he, likewise, by my knowledge, has been restored to perfect health by the use of your Pills, and rubbing your Ointment night and morning into his chest. (Signed) J. K. HEYDON.

CURES FOR THE UNCURED

Holloway's Ointment.

AN EXTRAORDINARY CURE OF SCROFULA OR KING'S EVIL.

Extract of a Letter from Mr. J. H. Alliday, 209, High Street, Cheltenham dated the 22nd of January, 1850. To Professor Holloway. Sir—My eldest son, when about three years of age, was afflicted with a glandular swelling in the neck, which after a short time broke out into an Ulcer. An eminent medical man pronounced it as a very bad case of Scrofula, and prescribed for a considerable time without effect. The disease then for four years went on gradually increasing in virulence, when besides the ulcer in the neck, another formed below the left knee, and a third under the eye, besides seven others on the left arm with a tumour between the eyes, which was expected to break. During the whole of the time my suffering boy had received the constant advice of the most celebrated medical gentlemen at Cheltenham, besides being for several months at the General Hospital, where one of the surgeons said that he would amputate the left arm, but that the blood was so impure, that if that limb were taken off it would be then even impossible to subdue the disease. In this desperate state, I determined to give your Pills and Ointment a trial, and after two months persevering in their use, the tumor gradually began to disappear, and the discharge from all the ulcers perceptibly decreased, and at the expiration of eight months they were perfectly healed, and the boy thoroughly restored to the blessings of health, to the astonishment of a large circle of acquaintances, who could testify to the truth of this miraculous case. Three years have now elapsed without any return of the malady, and this boy is now as healthy as heart can wish. Under these circumstances I consider that I should be truly grateful were I not to make you acquainted with this wonderful cure, effected by your medicines after every other means had failed. (Signed) J. H. ALLIDAY.

CURE OF ACUTE RHEUMATISM OF FOUR YEARS' STANDING.

Extract of a Letter from Mr. John Pitt, Dudley 19th Jan. 1850. To Professor Holloway. Sir—It is with the greatest pleasure that I write to thank you for the benefit I have received from your Pills and Ointment, which have completely cured me of the Rheumatism, under which I suffered for this last four years at times I was so bad as hardly to be able to walk. I had tried every kind of Medicine that was recommended without receiving any benefit. I at last thought I could give your medicines a trial, and purchased from Mr. Holm's Chemist, of this Town, two Boxes of Pills, and two of Ointment, and in three weeks, through them and the blessing of God, I was restored to health and am now as well as able to walk as ever I was in my life. I am well & content in this parish, having been sixty-five years in it, with an exception of ten years I served in the 24th Regiment of Foot.

(Signed) JOHN PITT. CURE OF A BAD LEG OF SIXTY YEARS' STANDING.

Mr. Barker, of No. 5, Gresham Place, Drypool near Hull, had ulcers on his leg from the age of sixteen until upwards of eighty, and although for many years he had sought the first advice in the country, nothing was found to cure them. He very often suffered most excruciating pain for long periods together, which incapacitated him from attending to his business. He had given up all hopes of getting a cure, when at last he was persuaded to try Holloway's Pills and Ointment, which he did, and however wonderful it may appear, the leg was thoroughly healed by their means, and by continuing to use the Pills alone after his leg was well, he has become in health so hale and hearty as now to be more active than most men of fifty.

(Signed) One of the most eminent Surgeons in Lima (the Capital of Peru) had a child covered with Ringworm for more than 6 years; in vain he exhausted all his art in this endeavor to effect a cure. Not succeeding, he consulted among his brethren, the most celebrated medical practitioners of the City, but nothing was found to do the child service. When he was persuaded by Mr. Joseph P. Haggis the English Druggist and Chemist, residing at No. 14, Grande Piedad, to try Holloway's Pills and Ointment, which was done, and after using six large Pots of the Ointment, with a proportion of the Pills, the child was radically cured, to the surprise of the whole medical profession. The name of the parent, from motives of delicacy, is withheld.

The Pills should be used conjointly with the Ointment in most of the following cases:—Bad Legs, Bad Sores, Burns, Bunions, Bire of Noses, and Sand Piles, Fistulae, Cocco-Bag, Gout, Glandular Swellings, Lumbago, Piles, Rheumatism, Scalds, Sore nipples, Chigger-foot, Chilblains, Chapped hands, Corns (soft), Cancers, Contracted & Stiff-joints, Elephantiasis, Sore throats, Skin diseases, scrofula, Sore heads, Tumours, Ulcers, wounds, Yaws.

Sold by the Proprietor, 244, Strand, (near Temple Bar) London, and by all respectable Vendors of Patent Medicines throughout the Civilized World, in Pots and Boxes, at 1s. 1/2 2s. 4s. 6d. 11s. 2s. and 3s. each. There is a very considerable saving in taking the larger sizes.

Be directed for the guidance of Patients are affixed to each Pot or Box.

ODD & TURNER, St. Andrews: Wholesale Agents for Charlotte-County. CAUTION—None are Genuine unless the words "Holloway's Pills and Ointment, London," are engraved on the Government Stamp, pasted on every Pot and Box; with the same words woven in the water-mark of the Books of directions wrapped round the medicines.

Should unprincipled Vendors recommend parties asking for Holloway's Pills and Ointment not to buy them, but to take something else in their stead, they do so only for the purpose of getting a greater profit by what they wish them to purchase.
