

BY ROYAL LETTERS PATENT.

THE HYDROMAGEN, OR WATERPROOF, ANTI-CONSUMPTIVE, CORK SOLES.

Manufactured by
HARCOURT, BRADLEY & CO.,
44 MARKET ST. MANCHESTER.
Principal Warehouse, 102 Wood Street,
Cheapside, London, England.
American Establishments, 38 Ann Street
and 102 Nassau Street, New York,
United States.

The Hydromagen is a valuable discovery for
protecting the feet from damp and cold, and there-
fore a preventative of many Lung diseases, with-
out any deterring whatever. The Hydromagen is
in the form of a sole, and worn inside the boot or
shoe. Its medicated character is a powerful anti-
dote to disease.

For Gentlemen it will be found agreeable, warm,
and healthy, to wear in the coldest or rainiest
weather, as the foot cannot become wet if the Hy-
dromagen is inserted. Ladies may wear the light-
est soled boots or shoes in the most inclement
weather with impunity; while Consumption, so
prevalent among the young of our country, may
be thwarted by their general adoption. They en-
tirely supersede over-shoes, as the latter cause the
feet to perspire in a very unhealthy manner; and,
besides, are not dangerous wear to pedestrians in
icy weather, like India rubbers. While the latter
cause the feet to appear extremely large, the Hy-
dromagen, being a mere thin slice of cork pre-
pared, peculiarly placed inside, does not increase
the size of the foot, or cause the foot to appear
unpleasant. To Children they are extremely valuable,
as they may engage in exercise with comfort and
healthy effects. Their expense is so slight as to
scarcely need mention; besides, those who patronize
them will find their yearly doctor's bills much
diminished thereby.

As the Hydromagen is becoming more known,
its sale is increasing to an almost incredible extent.
Last year in London, Manchester, Birmingham,
Liverpool, Glasgow, Leeds, Dublin, Paris, Ant-
werp, Hamburg, and Berlin, our sales reached
1,732,450 pairs of Cork Soles. This year the num-
ber will far surpass that.

Ask the Faculty their opinion of their value as
a preventative for Coughs, Colds, Bronchitis,
Asthma, and Consumption.

Men's Size, per pair, 35 Cents.
Ladies' do. do. 20 do.
Boys' & Misses' do. 25 do.

Notice.—From the Retail Prices we make a
very liberal allowance to Jobbers and Wholesale-
men, so that any stockholder may make a fine pro-
fit on their sale, while they are an article that
may be kept in any store, among any class of
goods.

THE CHEST

**Sir Astley Cooper, Bart.,
M. D.**

THE EMINENT MEDICAL PRACTITIONER, HAS LEFT A
VALUABLE LEGACY TO THE WORLD IN HIS
Great Preventative of Consumption.

UNFAILING CURE FOR PULMONARY DISEASES,
WITHOUT THE USE OF MEDICINE.

Sir A. C. Bart., in his will, directed the use of the
MEDICATED FUR CHEST
PROTECTOR.

To all persons of all ages and conditions, as
a certain and safe shield against those
feared diseases, Consumption, Bronchitis,
Asthma, Coughs, Colds, and other afflic-
tions of the Lungs, which arise from the ex-
posed state of the chest, according to fashion,
and the continual changes of our climate.

"The Protector" is simply a chemically pre-
pared fur, lined with silk and padded, which, sus-
pended from the neck, covers the chest, in so
agreeable a manner, that, once worn, it becomes
a necessity and a comfort.

"The Protector," although but recently
introduced into America, is making rapid
progress through the United States, the
Canadas, South America, and the West
Indies. It has for a long time been a staple
article in England and on the Continent of
Europe, while it has grown in many coun-
tries to the position of an article of dress.

To demonstrate these facts, a copy of an En-
glish resident in your vicinity of his knowledge of
the beneficial effects of wearing the Protector,
without recourse to doctoring of any kind. The
cost of wearing these articles is a mere trifle, and
one will not hesitate to pay for the health of
himself or his family will be without
them. The Hospitals in this country are not alone
recommending them, but rapidly introducing them.
Harcourt, Bradley & Co. of London, and Man-
chester, England, were originally entrusted with
the manufacture of the Protector, by the im-
mortal Dr. Cooper, and continue to manufacture
according to his original instructions, and therefore
recommend those who would wear "The Pro-
tectors," to see to their being genuine.

REMEMBER THIS IS A STAPLE ARTICLE, and
no Patent Medicine.

Holloway's Ointment.

A most astonishing cure of Scrofulous Ul-
cers—a case certified by the Mayor of
Boston.

Copy of a letter from J. Noble, Esq., Mayor
of Boston, Lincolnshire.

To Professor Holloway,
Dear Sir,—Mrs. Sarah Dixon, of Liquor-
pond street, Boston, has this day deposed
before me, that for a considerable time she
was severely afflicted with Scrofulous Sores
and Ulcers in her arms, feet, legs, and other
parts of her body; and although the first

of medical advice was obtained, at the cost
of a large sum of money, she obtained no
abatement of suffering, but gradually grew
worse.

Being recommended by a friend to try
your Ointment, she procured a small pot,
and a box of the Pills, and before that was
all used, symptoms of amendment appeared.
By persevering with the medicines for a
short time longer, according to the direc-
tions, and strictly adhering to your rules
to diet, &c., she was **completely cured**, and
now enjoys the best of health.

I remain, dear Sir, your truly,
(Signed) **J. NOBLE.**

Dated August 12th, 1852.

An extraordinary and rapid cure of Erysip-
elas in the leg, after medical aid had
failed.

Copy of a letter from Mrs. Elizabeth Yeates,
of the Post Office, Aldwick Road, near
Bognor, Sussex, dated Jan. 12th, 1853.

To Professor Holloway, Esq. most obedi-
ent Sir,—I suffered for a considerable period

from a severe attack of Erysipelas, which
at length settled in my leg, and resisted all
medical treatment. My sufferings were
very great, and I quite despaired of any
permanent when I was advised to have re-
course to your Ointment and Pills. I did
so without delay, and am happy to say the
result was eminently successful, for they
effected a radical cure of my leg, and re-
stored me to the enjoyment of health. I
shall ever speak with the utmost confidence
of your medicines, and have recommended
them to others in this neighbourhood simi-
larly afflicted, who derived equal benefit.

I am, Sir, your obliged and faithful servant,

A dreadfully diseased Ankle cured after
being given up by the Faculty at Malta
and Portsmouth Hospitals.

The following important communication
has been forwarded to Professor Holloway
for publication, by Mr. B. Dixon, Chem-
ist, King st. Norwich.

Copy of a letter from Captain Smith, of
Great Yarmouth, dated January 19, 1853.

To Mr. Dixon,

Dear Sir,—I send you the particulars of
a cure effected by Professor Holloway's in-
valuable medicines.—Mr. John Waterman,
late in Her Majesty's Service, in the British
fleet at Malta, had a very bad ulcerated
ankle, and after being in the Malta Hospital
for six months, was sent to England as an
invalid to Portsmouth Hospital, where he
remained an inmate four months; there, as
at Malta, refusing to have the limb amputat-
ed, he was turned out incurable. He then
came to Yarmouth, and was under a medi-
cal gentleman for about three months, but
his ankle became so much worse that all
hope was lost. At this period, by my advice
he tried Holloway's Ointment and Pills,
which by unremitting application, heal-
ed all the ulcers, and restored him to per-
fect health and strength.

I remain, dear Sir, your very truly,
(Signed) **JOHN SMITH.**

Albert Hotel, Great Yarmouth.

Surprising cure of a bad Breast, Nervous
Debility, and general ill health.

Copy of a letter from Mr. T. F. Ker, Chem-
ist, &c., Lower Moss Lane, Manchester,
dated Feb'y 12th, 1853.

To Professor Holloway,

Dear Sir,—I have great pleasure in re-
warding to you the particulars of a very
extraordinary cure of a bad breast, effected
solely by the use of your celebrated Oint-
ment and Pills. Mrs. Martha Bell, of Pit-
street, in this town, had been for a con-
siderable time labouring under nervous debil-
ity, loss of appetite, and general ill health,
occasioned by ulcerated wounds in the
breast. She had much experience in the
use of all the known remedies for the cure
of ulcers, but without any beneficial result.

In fact she had nearly lost all faith and
hope of a cure being effected. In this dis-
tressing and painful condition of body and
mind, she was persuaded to have recourse
to your invaluable Ointment and Pills,
which she immediately did, and in the
course of a very short time the effect pro-
duced was most astonishing; her appetite
was speedily improved, the sores and ulcers
in the breast gradually healed, and the
nervous excitement of her system was
wholly removed.

I remain, dear Sir, your faithfully,
(Signed) **T. FORESTER KER.**
