Ecezma in its Worst Form. Back Covered Witis Blisters - Terrible

Mr. John Kelly, 79 Trinity street, Toonto, in an interview, made the following verbatim statement:—
"I have been troubled with eczema almost its worst form for the past aree years. At times my back and aoulder blades were literally covered the patches like water blisters, and lese, accompanied with terrible itchheard, of Dr. Chase's Ointment, but meeting with so many disappointments, I had not tried it. Seeing the advertisement one day I concluded to get a box. Since using Dr. Chase's Ointment, I am Jike a new being. Its soothing and healing properties are simply marvellous, and I am honestiy grateful to Dr. Chase's Ointment for, the release from long suffering.
