likely are they to be confirmed. He. nated.' Such were the words utter- her plain. He who cannot endure now lies in a pauper's grave in one corner of the C awford County poor farm, with glamour of courtship has been removbut a slab of wood to mark his last resting- ed, that he is joined to a dowdy. place. Few people know his inner life Marriage goes, to a certain extent To people her abouts he was known as by contrast, if not contraries. A Frederick Hyren. It was but an assumed woman, still less than a man, gets the Hatheway Line. name, however, and if the papers which he usband she paints to her fancy. Her

less behind can be believed, his career was connubial ideas are commonly regulat. Frederick Hyren was born in Finland nan she desires at 16 or 17 would be a and his parents were serfs. While quite ourden at 20, and her ideal at 20 might young his natural abilities so pleased his woung his natural abilities so pleased his master that he was freed and sent to sentimentalism and ends with soberted to court service at St. Petersburg and in a short time rose to a position of important and sentimentalism and ends with soberted to sentimentalism. ance. About this time the late czar, then czarwitch, started on his journey in search not receive. The loye that comes at of a wife. Young Hyren, by a lucky lirst sight rarely remains; it is apt to chance was chosen to accompany him. be born of the eye, not of the temperament. The love that grows generally that journey, and how the exarwitch endures and produces fruit. Love finally chose an obscure but beautiful marriage are not related as we t princess from one of the smaller German they should be. Love matches

courts. This was the cause of Hyren's turn out ill, and matches withou turn out well. No one can tell forure downfall He carried a message to the father of love is; nor can anyone guess the princess, He and the princess marriage will bring. We are all, met, and a responsive love was kindled young, full of thoughts and the in their hearts. They pledged eternal about both, and individual expelove. When the czarwitch saw Hyren's is ever contradicting what we loved one the mutch was made, learned. Marriage is as impenet Hyren, however, had an unconquerable as love. Few of us are prepare ambition, and laid a plan to frustrate their disclosures. We may love the czarwitch. The latter had grave marry again and again; but our doubts as to whether he would be of love and marriage is almost al allowed to marry an unknown princess. wholly unlike the thing itself.

Russia and prepare the czar. When he arrived, instead of advocating the murrage, he depreciated it. His idea was to have the affair broken off, gain credit for doing it, and marry the princess himself. There was an outcry in lies when it takes.—Duchess d' Abrantes. court circles against the marriage, but it was found impossible to prevent it. When then the czarwitch discovered the manner in which Hyren had treated False friendship, like the ivy, decays him he sought his ruin. Hyren appealed to the czur, however, who sent him to Constantinople to study the Oriental to Constantinople to study the Oriental languages. He spent six years in Torkey. When he returned to St. Petersburg he gradually rose until he flects every object without being sullied by was considered the chief of the secret any .

advisers of the czur. It began to be No man is born into the world whos whispered about that all was not right Is been with him; there is always work. between the czarwitch and his wife, And tools to work withal, for those wh Hyren's name was connected with hers.
Then the czar died, and Hyren knew And blessed are the horny hands of toil. livren's name was connected with hers. that the nent up wrath of the new czar would be poured upon his head without

He took ship for America, changed bad one .- Dickens his name to Hyren, and Russians always If there is anything that keeps the mind supposed that he was secretly assistant elby order of the late czar. The ship in which he came across was wrecked, and the wreckers seized the money and valuables he had, leaving him without respectively. resources in a strange land. Getting Married. MARRYING GIRLS AND THE OTHER KIND-WHY MEN DO AND DO NOT MARRY.

he died. - Cor. Philadelphia Press.

There seems to be two sorts of girls — those that ought, because specially fit, to be married, and those that never should and never will be, and yet invaliably get married. The former are usually the demure, industrious, unworldly, domestic; the latter are the easy, careless, merry, impudent, forbicsome, saucy girls, of whom men become enaumoured for no reason at all and in spite of themselves. When a man falls into love and can't crawl out readily, he avails binned for extricated thereby without intending it. He is no more logical in matrimony than in celibacy; the same thing that makes him a lover turns him to a husband, and he is thrice blessed if he does not discover a sharp and the spite of the horible way in which the employ of the horible way in which the employ in the main a week, none of whom would the fine the many and saturday sonly the forbics of the horible way in which the employ in the There seems to be two sorts of girls and, fine

It is passion, not reason, and it is called the divine passion because it is so thoroughly human.

Men generally like one kind of wo men and love another kind. The one kind they are commonly recommended to wed, and don't; the other kind they are commonly recommended to wed, and don't; the other kind they are divised not to wed, and don't; the other kind they are advised not to wed, and the wed, and the wed, and don't; the other kind they are advised not to wed, and the wed,
