

Strangers and new comers feel at home with us.

Notes

The day for Convention Fund offering comes quickly around. Next Sunday is the time. The Convention Books close July 31st, and so we have a little less than three months in which to raise our allotment.

Our B. Y. P. U. gave a successful "Topical Social" last month. The Social Committee did excellent work. These social gatherings are all too few, and amongst us we might well have more of them. We have plenty of talent to conduct them successfully once every month.

The Maritime Convention meets in the North Church, Aug. 25th. That time will soon be here. Much needs to be done by the way of preparation for this important meeting. The Committee, composed of delegates of all the inviting churches, met and began work by asking the inviting church to find out how many delegates each would entertain. The North Church will do her part, but it is time for us to realize that a big undertaking is on our hands. The dignity of the Baptist Body must be maintained and our own dignity as a church. That there will be a united response is assured. The North Church never does anything by halves, and, however loyal the Convention was ever entertained, it will be eclipsed in Halifax. After more than fifty years of noble history, the North Church is entitled to the Convention. It is altogether probable that every other church of like membership has entertained before us. One way to get ready, is to be determined to do the thing well.

We are glad to give the right hand of fellowship to a number of new members who have come to us by letter and baptism. Nearly every month some are uniting with us. We give them hearty welcome, and hope to see them earnest workers at the start and all the way through. There are others among us who ought to unite with us. Are we doing our duty by them? Do we invite them to join us heart and hand?

Applications for Sittings should be made to Deacon Jas. McPherson. The seats are signed, not rented. Each holder of a sitting is expected to be a contributor.

THIS CHURCH IS SUPPORTED by the voluntary contributions of the people, that is to say, every member of this church is covenanted voluntarily to subscribe towards the expenses of the church whatever sum it is in their power to give, and shall so inform the Financial Secretary, and from him receive envelopes for that purpose. All bills or accounts are to be sent to A. E. Soule, 119 Robie St. All monies contributed, donated or raised by and for the church, are to be handed to N. L. McDonald, Fin. Sec'y.

CONVENTION FUND offering the second Sunday of each month. W. M. A. S. offering the third Sunday of each quarter beginning with August.

Families having cases of sickness or distress will please send word at once to the pastor, or one of the Deacons. You are urged to use the information cards in papers. If you are not a regular member of some other city congregation, you are cordially invited to come with us and find a permanent home.
