Scientific and Useful.

If meat bakes too fast, cover with buttered paper.

DIP tough beefsteak in vinegar two hours before it is cooked.

GROUND cloves sprinkled over apple-butter will prevent mould.

HALF a cup of vinegar in the water will make an old fowl cook quickly.

WHEN bread will not retain the dent of the finger, it is ready for the oven.

BAD Blood results from improper action of the Liver and Kidneys. Regularly use important organs by the use of that grand purifier Burdock Blood Bitters.

The mother of Chas. L. Answorth, 41 Vance Block, Indianapolis, Ind., says she finds Burdock Blood Bitters a very efficacious remedy for Liver Complaint.

CREAM SCONCE CAKE. Two cups sugar, two cups flour, four eggs, two teaspoonfuls baking powder or soda, and cream tartar, one half tea cup, or four tablespoonfuls boiling water.

HICKORY MACARONS. Two cupfuls of hickory nut meats; beat them fine in a mortar and add two cups of sugar, four tablespoonfuls of flour and three eggs. Mix well together and bake on well-greased paper. Put only a little of the mixture in each place.

MURRAY & LANMAN'S FLORIDA WATER. The most delicate invalids, the greatest sufferers with sea-sickness, and those whose nervous systems are most sensitive, prefer it before all others, and use it to the exclusion of all others, not for a time only, but always and continuously. The sense of smell never tires of its soft, refreshing odor.

GINGER SNAPS. Prepare your flour with one teaspoonful of salt, one teaspoonful of ginger; put in a teacup four tablespoonfuls of hot lard, four tablespoonfuls of hot water; then fill the cup full of warm Orleans molasses, stir in a teaspoonful of soda until it foams; mix quickly, roll thin and bake in a hot oven—delicious!

FOR KIDNEY COMPLAINTS.—Take a teaspoonful of Perry Davis' Pain-Killer in a gill of milk and syrup, equal parts, three times a day, bathing the body freely with the medicine wherever you feel distress.

COCONUT CHEESE CAKES.—Take the white part of a coconut, three ounces of lump sugar and half a gill of water. The sugar must first be dissolved in the water and the coconut grated, to be added to it. Let all boil for a few minutes over a slow fire, let it get cold, and then add the yolks of three eggs and the white of one well beaten up. Put the mixture into small tins with thin paste at the bottom and bake in a slow oven.

BEF KIDNEY.—Lay it in salted water for half hour; remove the white part as nearly as possible; put the kidney in a stew-pan cover with fresh water, and let it boil gently for six hours. Set it aside until needed. Chop very fine; put in a pan with a good piece of butter, a little of the water it was boiled in, pepper and salt; if desired, a little flour to thicken it, or it may be poured over toast.

CONSTIPATION, Indigestion, Biliousness, all depends on improper or irregular action of the Liver. Arouse the liver to a healthy action by taking Burdock Blood Bitters.

Mrs. Joseph Johnson, Pittsburg, Pa., suffered for years from Dyspepsia—used Burdock Blood Bitters, which cured her. She says he now feels "splendid."

VEAL CROQUETTES.—Two pounds of veal, one onion and a-half, parsley, thyme, sage, pepper, salt, butter and four eggs. Boil and chop the veal very fine; keep some of the liquor in which it is cooked. Chop the onions, and fry in butter until very soft. Then, having the yolks of the eggs well beaten and the seasoning, mix these with the meat and onions; add the whites and the liquor to the rest; mould and dip in bread crumbs and fry a light brown.

WHITE SAUCE FOR FISH, BOILED MUTTON, ETC.—Boil a large spoonful of flour, or grated potato, in enough water to make it the thickness of hot custard or very thin gruel. Add salt, pepper and grated nutmeg. When the potato is cooked, add a good piece of butter, which should merely melt in the sauce. At the moment of serving, add a small quantity of vinegar or a little lemon-juice. When the meat is on the platter, pour enough of the sauce over it to cover it, and let a little border of it lie all around it on the dish. Serve the remainder, if any in a sauce boat. Add a scant teaspoonful of capers just before serving.

Scott's Emulsion of Pure COD LIVER OIL, WITH HYPOPHOSPHITES. For Rheumatism, Scrofula and Anæmia. As these diseases are all the result of an impoverished condition of the blood, nothing will help the system and enrich and vitalize the blood, and assist nature to overcome this condition so quickly as Scott's Emulsion.

Narrow Escape.

ROCHESTER, June 1, 1882. "Ten Years ago I was attacked with the most intense and deathly pains in my back and —Kidney.

"Extending to the end of my toes and to my brain!

"Which made me delirious!

"From agony!!!!

"It took three men to hold me on my bed at times!

"The Doctors tried in vain to relieve me, but to no purpose.

"Morphine and other opiates!

"Had no effect!

"After two months I was given up to die!!!!

"When my wife heard a neighbour tell what Hop Bitters had done for her, she at once got and gave me some. The first dose eased my brain and seemed to go hunting through my system for the pain.

The second dose eased me so much that I slept two hours, something I had not done for two months. Before I had used five bottles, I was well and at work as hard as any man could, for over three weeks; but I worked too hard for my strength, and taking a hard cold, I was taken with the most acute and painful rheumatism all through my system that ever was known.

"I called the doctors again, and after several weeks they left me a cripple on crutches for life, as they said. I met a friend and told him my case, and he said Hop Bitters had cured him and would cure me. I looked at him, but he was so earnest I was induced to use them again.

In less than four weeks I throw away my crutches and went to work lightly and kept on using the Bitters for five weeks, until I became as well as any man living, and have been so for six years since.

It has also cured my wife, who had been sick for years; and has kept her and my children well and healthy with from two to three bottles per year. There is no need to be sick at all if those Bitters are used.

J. J. BARK, Ex-Supervisor

"That poor invalid wife, Sister, Mother, Or daughter!!!!

"Can be made the picture of health!

"with a few bottles of Hop Bitters!

"None genuine without a bunch of green Hops on the white label. Shun all the vile poisonous stuff with "Hop" or "Hops" in their name

BRIGHT'S DISEASE OF THE KIDNEYS. The above symptoms are not developed in any order, but appear, disappear and reappear until the disease gradually gets a firm grasp on the constitution, the kidney-poisoned blood breaks down the nervous system, and finally pneumonia, diarrhoea, bloodlessness, heart disease, apoplexy, paralysis, or convulsions ensue and then death is inevitable. This fearful disease is not a rare one—it is an every-day disorder, and claims more victims than any other complaint. It must be treated in time or it will gain the mastery. Don't neglect it.
